

BCLA Stick Loan Request Form

The BC Lacrosse Association is excited to offer a FREE stick lending program where we are able to offer 30 sticks, 30 balls for 30 days. A Curriculum resource guide is also available if required.

Our goal is to provide an opportunity for students/athletes to pick up a stick and participate in Canada's National Summer Sport, regardless of their level of lacrosse experience. Skills and drills can easily be taught in a gymnasium or outside on a sports field.

Box/Field Lacrosse sticks and Women's Field Sticks are available.
