Goalkeeper Equipment

19 March 2019

Goalkeeper Equipment

Appendix A goalkeeper equipment specifications for Junior to Major in the rule book was effective April 1st, 2010, minor lacrosse was effective April 1st, 2012, house league would take effect 5 years later as of April 1st, 2017. This was to allow house league lacrosse the opportunity to replace equipment as needed and as of April 1st, 2017 wear the appropriate equipment when playing lacrosse. All MA's should now be enforcing the proper equipment for box lacrosse as per the lacrosse rule book and the operations manual.

Chuck Miller,
Chairman
Safety and Equipment Committee
Canadian Lacrosse Association.
