This letter is in lieu of a coaches meeting

Before each game, a coach or manager must verify the game sheet.

To provide proof that each call-up player has played the required three (3) qualifying games, we will require *original **official score sheets*** (scans, photos, and/or photocopies will not be accepted).

Prior to your first game, please submit a copy of your **Team Verification Form**. In addition, please bring your completed **Fair Play Award Athlete Nomination Form**. The forms are attached to this e-mail.

****Please note the game time for each field as each field may have a different game time start****

TEAM VOLUNTEERS

Each participating team must provide the following volunteers per round robin game: **one team to provide 1 timekeeper and the other team to provide 1 scorekeeper**. *Neutral score and time keepers will be provided for medal games.*

Each team should also appoint a responsible person for selecting game MVPs for round robin games. That person will select 3 players from the opposing team for each game. Players are only eligible for one award during the round robin portion of the tournament. *Neutral bench officials will select the medal game MVPs.*

Please have a team official report to the tournament office (located in the clubhouse) thirty minutes prior to game time to pick up your score sheet and MVP awards sheet. Both will be returned to the tournament office by the officials immediately following the game.

Teams playing the first games of the day are to help with setting up the field. Teams playing the last games of the day are to help take down the field and put equipment away.
