## Introduction and Notes:

This booklet includes all the documents specific to the BCLA for use by BC box lacrosse referees as a reference guide for the 2020 season. It has been updated to include the most current information available for the coming season as of the publication date indicated below:

**This document was last revised February 18, 2020.**

If you have any questions or would like more information, the following websites should be able to direct you to the answer or to someone who can help with an answer. It is also recommended you contact your local head referee and or local BCLOG Zone coordinator, their contact information can be found by calling the BCLA at 604 421 9755 or by sending an email to the BCLA from the following link:

## CLA NOCP Fair Play Codes For Officials:

Becoming a competent official takes a great deal of time and effort. Once you have committed to become a Lacrosse official, you need to make a commitment to yourself, your peers, the participants of the game, and the game itself.

Please read the following Fair Play Codes and fill out the contract that follows:

1. I will make sure that every athlete has a reasonable opportunity to perform to the best of his or her ability, within the limits of the rules.
2. I will avoid or put an end to any situation that threatens the safety of the athletes.
3. I will maintain a healthy atmosphere and environment for competition.
4. I will not permit the intimidation of any athlete either by word or action. I will not tolerate unacceptable conduct toward myself, other officials, athletes, or spectators.
5. I will be consistent and objective in calling all infractions, regardless of my personal feelings toward a team or individual athlete.
6. I will handle all conflicts firmly but with dignity.
7. I will accept my role as a teacher and role model for fair play, especially for young participants.
8. I will be open to discussion and contact with the athletes before and after the game.
9. I will remain open to constructive criticism and show respect and consideration for different points of view.
10. I will obtain proper training and continue to upgrade my officiating skills.

I, \_\_\_\_\_, hereby agree to abide by the Official's Fair Play Code. I understand that my development will progress at an accelerated rate if I adhere to this code.

Date: \_\_\_\_\_ Signature: \_\_\_\_\_

Following the Fair Play Code will definitely benefit your development as an official. However, there will be times when you will experience criticism from players, coaches, and fans. By following the commitment you have made, experienced officials know it will lessen the intensity of the criticism towards them.

1. Lead Official's primary coverage responsibility
2. Lead Official's secondary coverage responsibility\*
3. Trail Official's primary coverage responsibility
4. Trail Official's secondary coverage responsibility\*
5. Shared coverage between Lead and Trail Official

**\*NOTE:** When a loose ball occurs in these secondary zones, officials shall be responsible to move toward the loose ball, including moving across the floor, to ensure the best positioning. Zones will reset as the officials assume their new positions. Officials shall not switch lead and trail positions.

# Joint Officials Coaches Abuse Panel:

---

## What is JOCAP?

JOCAP is an acronym that was selected so it would be easily remembered:

Joint Officials Coaches Abuse Panel (JOCAP).

This panel was created to put an end to the copious amount of verbal abuse that coaches, players, parents and fans inflict on the officials in our game. This panel has a dozen people on it – six from the BC Lacrosse Officials Group and six from the BC Lacrosse Coaches Group.

## JOCAP

### 2020 Instructions to Officials:

At the 2020 Officials Clinics, referees have been instructed to call unsportsmanlike and abuse of officials early and often. Referees should remain positive and open to **polite communication** where possible and where doing so **does not impede or slow down the progress of the game**. If communication from the teams, (Coaches or Players) ceases to be polite steps must be taken as outlined below.

The Head Coach of each team is **totally responsible** for their bench. “Bench” is defined as players, door personnel, assistant coaches and trainers. This Head Coach must take the time to talk to the parents/fans before the very first game of the season about respect for the game. These parents/fans must keep their negative comments to themselves. If any parent or fan is abusive to any official they will be asked to immediately leave the arena. The game will be suspended until the abusive individual(s) leave(s) the arena.

**Door Personnel (Novice and below).** Their job is to open and close the door. That is it. They count their players onto and off the floor and they may cheer on their players. The door people may never say a negative comment to the referee.

#### Consequence:

- 2 minute Unsportsmanlike Bench Minor + Game Misconduct + Game Report. Any player except a designated goal keeper shall serve the penalty.

**Door Personnel: All Door Personnel are all trained or certified coaches.** Their job is to open and close the door. That is it. They count their players onto and off the floor and they may cheer on their players. The door personnel may never say a negative comment to the referee.

#### Consequence:

- 2 minute Unsportsmanlike Bench Minor. Any player except a designated goal keeper shall serve the penalty.
- For a second Unsportsmanlike Offence by that same non-playing personnel:
  - 2 minute Unsportsmanlike Bench Minor + Game Misconduct + Game Report. Any player except a designated goal keeper shall serve the penalty.

A bench penalty will also be called if a trainer, door person or coach, while attending an injured player on the floor makes a negative comment or attempts to intimidate the official.

#### Consequence:

- 2 minute Unsportsmanlike Bench Minor + Game Misconduct + Game Report. Any player except a designated goal keeper shall serve the penalty.

(Continued on next page)

## JOCAP Continued...

In Pee Wee and below, the coach may respectfully speak directly to officials about an interpretation of rule without going through the captains. Of course, this is only in effect as long as the coach is polite and not aggressive in behaviour.

In Bantam and above, the referees have been instructed to use open communication with the coaches as long as it is polite and quick dialogue. This is not intended for repeated questioning of calls and must not unnecessarily slow the game down.

As the Head Coach is responsible for the bench, he/she must make sure of the following.

1. Must not enter in argument with the officials.
2. Must not say any negative comments to anyone in the game.
3. Must not attempt to influence any calls (running commentary) or any decision of an official.
4. Intimidate any official. (Aggressive behaviour)

Coaches may use the following methods to communicate regarding the officials in their game:

- Speak to their association head referee and or President
- Ask their Minor Association Club President to write a letter on their behalf to the Chair or VC Minor of the Officials Group
- Fill out the online Coaches evaluation form found on the BCLA website at [www.bclacrosse.com](http://www.bclacrosse.com)  
→Home →Forms →Coaches or follow this link:  
<http://bclaregistration.com/forms/coachesofficialsevaluationminorbox/index.cfm>

In cases where the coach has a complaint against the performance of the official no good can come from that coach talking to that referee. Coaches are encouraged to make use of one of the above methods. In all cases **only**, the local Head Referee, BCLOG Zone co-ordinators, referee clinicians, Chair and Vice Chair of the BC Lacrosse Officials Group will be permitted to talk to any referee about their performance.

Head Coaches are encouraged to speak to everyone associated with their teams about abuse. This abuse must stop now. All games are going to heavily monitored.

Let's all work together so everyone can enjoy the games.

Respect in sport is an essential part of our game and requires effort on the part of all participants, Coaches, Players, Parents and **Officials**.

Sincerely,

Joint Officials Coaches Abuse Panel (JOCAP) Representatives

## 2020 BCLA Minor Lacrosse Variations (Mini-Tyke, Tyke, Novice)

As directed by the BCLA Minor Directorate for 2020, associations may look at adopting different [CLA Rule] options as desired, for local in-house leagues. As such, there are local and regional variations in British Columbia for Mini-Tyke, Tyke and Novice lacrosse for the upcoming season only.

---

### Mini-Tyke Rules (ALL Zones):

Game - Option L

- Play 3 on 3 with soft balls
- 3 periods, 15 minutes in length each, with 3-minute intermissions
- 3x3 nets
- 2 games played simultaneously in half court
- Defensive player may occupy a space to prevent an offensive player from entering
- Defensive player may place their stick on an opponent
- No pushing or checking motion, no body-checking
- Fall Back Rule in effect
  - The fall back rule applies when possession is gained by the goalkeeper
  - All defensive players must enter the neutral zone
  - Once all defensive players are in neutral zone, they are free to go wherever they want
  - The goalkeeper must pass the ball to one of the offensive players who must then pass the ball to one teammate outside the dotted line

Teams - Option A

- 3 runners and a goalie for each team
  - Coach from each team may be on the floor to instruct players
- 

### Tyke Rules:\*

Generally, most associations are using Game - Option L

- 5 on 5 with soft ball
  - Except Island (Zone 6) and Kootenays using Option X for teams (3 on 3) & playing surface (half court)
- 3 periods, 15 minutes

Place & push allowed on the ball carrier, no off-ball contact, no body checking

\*Each zone and in some cases each local association will decide on the rule set they will use for in-house Tyke. Some areas will play 3 on 3 cross floor, some will play 5 on 5 full floor. Referees must check with their local head referee as to which game format and rule set will be used.

---

### Novice Rules:

Generally, most associations are using Game - Option L

- Island (Zone 6) will use place and push from Option A
  - Lower Mainland (Zones 3, 4 and 5)
    - A1 and A2: Normal contact, except no off-ball contact
    - B and C: Place and push from Option A only, no off-ball contact.
- 

\*Rule sets for all minor divisions are set in place by the Minor Directorate, in consultation with local zone commissions.

**\*It is imperative that all minor association head referees instruct their officials as to what rule sets will be used in their association and follow up with their referees to ensure they are comfortable with, and understand, the rules. It is also important for head referees to communicate within their local association, President, Head Coach, MT/T/Nov Coaches, referee assignor etc... to ensure everyone is clear on the rule sets to be used BEFORE the season commences.**

## BC Female Lacrosse Rules

---

### The Game

- Three 20-minute straight time periods, 5-minute intermissions
  - Each period shall start with a face off.
  - Goal differential of 5+ goals not displayed
  - Scoresheet required - goals, assists and penalties recorded
  - Scoreboard used but a differential of more than five goals is not displayed
- 

### Tyke

- Per Handbook (same as boys, see p. 9)
- 

### Novice and Pee Wee

- Contact per Option X
  - Defensive players may place their sticks on a ball-carrier and use equal pressure to prevent her movement.
  - Stick contact is only allowed on non-ball carriers within the 24-foot dotted line and the contact may only be equal pressure to prevent her movement.
  - Defensive player may check an offensive player by placing their stick head on an opposing player's stick-head outside the 24-foot dotted line.
  - No body-checking.
- 

### Novice Only (Fall Back Rule – NOVICE ONLY)

- When possession is gained by the goalie inside their crease, all defensive players must enter the neutral zone (1st restraining line).
  - All defensive players must stay in the neutral zone until ball-carrier has entered the neutral zone.
  - If the offensive player is interfered with before she crosses the 1st restraining line, play will restart back in the goalkeeper's crease (and reset 30-second clock).
- 

### Bantam, Midget & Junior

- Contact per Option A
  - Defensive players may place their stick on the ball-carrier and push them away.
  - Place and Push is only allowed on the non-ball carriers within the offensive zone.
  - Junior Female still using senior goalkeeper nets (all other levels use minor nets)
- 

### Full Contact – Senior Women's (L2 and above)

- Cross-checking is called as per Rule 40.
  - Mouth guards not required (recommended).
  - 2 Timeouts per game (1 per period)
  - 30 second clock will run when a team is short handed
  - Play blown down when it hits the goalie's mask
  - Minor nets used.
- 

### Rules of Emphasis

- Offensive charging
    - Any player who charges directly at a defensive player may be assessed a charging penalty.
  - Need to be aware of the Female rules – concerns in past couple of seasons we don't call it consistently
- 

### Pay - Female

- Same for Tyke to Midget as Boys Lacrosse
- Junior Girls - \$50
- Senior Women's \$60

## Pre-Game Duties

---

1. When you receive your game assignment find out: --- (location/time/partner)
2. Arrive at the arena ½ hour before game
3. Greet partner and discuss the upcoming game – rule interpretation, history of teams involved, on floor communication
4. Proceed to floor together
5. Check condition of arena
6. Check that adequate minor officials (score/time keeper, 30 sec clock) are present and know their duties.
7. Check that signaling and timing devices are working properly
8. Check the game sheet to ensure that:
  - Only players dressed and on bench are listed.
  - Maximum (18 & 2) and minimum (5 & 1) number of players are adhered to
  - All non-playing bench personnel are listed on game sheet (max of 6)
  - Game sheet has been verified
  - Captains and Alternate Captains (2) are listed
  - Goalkeepers and alternate goalies are listed and present
9. Prior to game introduce yourself to coaches of both teams and ask/state:

***“Coach, are all of your players legally equipped to play the game?”***

***“Let’s have a safe, sportsmanlike and respectful game.”***

- This constitutes the team “warning”. The onus is on the coach to make sure all players’ equipment conforms to the specifications in the rules.
- The pre-game statement has been altered to remove the explicit statement about abuse, it is felt the old statement set an unnecessarily negative tone at the start of the game, and since it clearly wasn’t working there is no harm in trying a different approach.

## Post-Game Duties

---

1. When the scorekeeper brings the sheet, check that it is completely filled in including the proper goal totals and the goal and penalty summary sections
2. Sign the sheet, return it to the scorekeeper for distribution
3. Ensure that you have a record of all the necessary information if a report is required
  - (Take a photo of the completed scoresheet for this purpose)
4. Leave the floor with your partner
5. Write all reports with your partner while the incident is still fresh in your mind
6. Submit reports within 24 hours using the online report for located at this link:
  - [https://bclaregistration.com/forms/officialsgamereportminorbox/index\\_2019.cfm](https://bclaregistration.com/forms/officialsgamereportminorbox/index_2019.cfm)

### What incidents/infractions must be reported?

The following is a list of the incidents requiring a report:

1. CLA Rule 23(L)
2. Additionally, in minor games the BCLA Minor Directorate requires a report for the following:
3. Attempted or contact in:
  - Butt-Ending(Rule 35)
  - Spearing (Rule 65)
  - Kicking (Rule 57)
4. Abuse or Assault of an Official (Rule 28)
5. Face Masking (Rule 72 and 88)
6. Fighting (Rule 45)
7. Third Person In Altercation (Rule 67)
8. Any situation where a game participant is suspected under influence of alcohol or drugs

### **Many infractions DO NOT require a report.**

- For example, a major and game misconduct for checking from behind or high sticking DO NOT require a game report.
- Consult the list above and Rule 23(L) for a complete list of reportable infractions/situations.
- When in doubt, ask your head referee or contact your local zone coordinator.

Team penalized: Osoyoos 49ers

Player/Coach penalized:

(First Name): Donald

(Last Name): Newman

Jersey Number: 28 (if player)

Period of Penalty 2

Time of Penalty 16:50

Describe circumstances in detail:

At 16:50 of the 2<sup>nd</sup> period, Osoyoos number 28(Donald Newman) and Oliver number 14 (T. Boyd) were racing for a loose ball to the corner in the Oliver end of the floor. Oliver player number 14 was first to the ball and had possession when Osoyoos number 28 was still at least 10 feet away. Number 28 then hit number 14 from behind knocking him head first into the boards, while he was approximately 6 feet from the boards.

Despite loud and vocal warnings from myself prior to the hit, and with ample time to make a decision, number 28 recklessly hit number 14 from behind. Number 14 was seriously injured on the play and the game was delayed while an ambulance was called. The injured player was taken to hospital.

Number 28 was assessed a Match penalty for Boarding under Rule 33(b) and under Rule 30.

# The Canadian Anti-Doping Program

CLA has adopted the Canadian Anti-Doping Program (CADP). As part of CLA, all members of ALA are subject to Canada's anti-doping rules, which are administered by the Canadian Centre for Ethics in Sport (CCES). The CADP consists of several components such as in- and out-of-competition testing, education, medical exemptions, and the consequences of doping violations, and is compliant with the World Anti-Doping Code and all international standards.

By adopting the CADP, CLA has joined a world-class anti-doping program that is designed to protect athletes' rights and ensure a level playing field. CLA's anti-doping policy reflects and supports the CADP.

The CCES recommends that athletes take the following actions to ensure they don't commit an inadvertent anti-doping rule violation:

- Check the Global DRO ([www.globaldro.com](http://www.globaldro.com)) to determine if any prescription or over-the-counter medications or treatments that are banned by the WADA Prohibited List.
- As a domestic athlete competing in lacrosse, you are not required to have a TUE application approved prior to using a prohibited substance. Instead, you must go through a Medical Review following the event of a positive result from a doping control test.

For a Medical Review, you must maintain a medical file which includes the following information:

- documentation that confirms a medical diagnosis was made by a licensed physician prior to sample collection;
- a prescription signed by a licensed physician prior to sample collection consistent with the finding; and
- confirmation that you are being followed and monitored by a licensed physician and are following a treatment plan that is appropriate for the diagnosis.
- Four to six weeks following a doping control test you may be asked by the CCES, or your national sport organization, to submit a Medical Review application for your specific medication. At that time, you will be required to submit a complete Medical Review application form and the previously listed information within a specified time frame.

If at any time you are added to the CCES Registered Testing Pool (RTP), your International Federation's (IF) RTP, attend an international event or participate in one of the Canadian national championships identified here by the CCES - [www.cces.ca/en/medicalsportlist](http://www.cces.ca/en/medicalsportlist) - it is your responsibility to ensure that you meet any additional TUE requirements imposed by the CCES or your IF. For more information regarding medical exemptions please visit [www.cces.ca/en/medical](http://www.cces.ca/en/medical) or to review your medical exemption requirements use the CCES Medical Exemption Wizard [www.cces.ca/mewizard](http://www.cces.ca/mewizard)

- Do not use supplements, or to take precautions prior to doing so. Supplement products cannot be verified by the CCES or in the Global DRO. A lack of industry and government regulation makes it impossible to confirm their ingredients. Read more: [www.cces.ca/supplements](http://www.cces.ca/supplements)
- Review the steps of the doping control sample collection procedures: <http://www.cces.ca/en/samplecollection>
