## **Team BC Box Lacrosse Program Technical Co-ordinator Announcement**

---

**October 28, 2020**

The Team BC Program is proud to announce Darcy Rhodes as the Team BC Box Lacrosse Technical Co-ordinator.

Rhodes has been involved in lacrosse most of his life as a player, coach, administrator and regional coach. He was a standout BCJALL player with the Port Coquitlam Saints and spent his entire WLA career with the North Shore Indians/Okanagan Thunder and Langley Thunder organizations.

Rhodes served as the BCLA Technical Director (2004-2013) and has been an integral part of Team BC Box Lacrosse program in talent identification, coach selection and coordinating Team BC Box Provincial Tryout Camps. He has coached at the community level and with the WLA Langley Thunder Senior A team. In September, Rhodes was named to the BCLA Canada Summer Games coaching staff for the Boys 16U team.

Rhodes brings a wealth of knowledge and leadership to the Team BC Program and we are excited to have him back with Team BC. Welcome Darcy.
