## **SECTION 1 THE GAME**

Wheelchair Lacrosse is played by two teams of eight (8) players each. Two (2) Attackers; three (3) Midfielders; two (2) Defensemen and one (1) Goalie. The purpose of each team is to score by causing the ball to enter the goal of its opponent and to prevent the other team from scoring. A goal counts one point. The winning team is the team that has scored the most goals during the game. The ball is kept in play by being carried, thrown or batted with a lacrosse stick, or rolled in any direction, subject to the restrictions described in the following rules.

## **SECTION 2 THE COURT**

- The playing surface shall be rectangular, 185 feet in length and between 85 feet in width to accommodate play on existing courts. The court shall be enclosed by the Boards which may be constructed of wood, plastic or any other material as approved by BCWL. Measured from the surface of the floor, the Boards shall not be more than four feet (4') nor less than three foot-six inches (3' 6") in height. The Boards facing the playing surface shall be uniform in color and free from any obstructions or objects that may cause injury to players.
- A bold red line (one foot wide) shall be marked through the center of the court perpendicular to the side boards. This line shall be known as the Red Line. Note: Attack zone is defined as the offensive side of center line (the Red Line).
- A point on the center line, equidistant from each side, shall be marked with a dot and shall be designated the Center Faceoff Dot.
- A circle 4-inches wide will be marked around and centered on the Center Faceoff Dot, not less than 14 feet in diameter and shall be designated the Center Faceoff Circle.
- The Team Bench Areas shall be on the same side of the court, the same side as the Penalty Box, and shall be physically separated from each other.
- Where physically possible, a timer/scorer's area should be located between the Team Bench Areas.
- A Separate Penalty Box area shall be provided on the Court in front of the Timekeeper/Scorers area, adjacent to the boards and marked with visible lines, cones or tape. The Penalty Box area must be large enough to accommodate several players at a time.

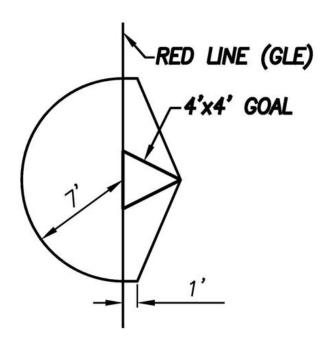

#### SECTION 3 GOALS AND GOAL LINES

Goals shall form an opening or goal mouth that is 4 feet wide and 4 feet high (inside measurements). Goals shall be constructed of 1½-inch inside diameter metal pipe and shall be painted red. All goals shall consist of two vertical posts joined by a rigid top crossbar. These posts shall be 4 feet apart and the top crossbar shall be 4 feet from the court surface.

The home team is responsible for having legal goals. If, before the start of the game, either goal is found to be illegal, a reasonable length of time shall be granted to make it legal. Failure to make the goals legal shall result in a three minute non-releasable penalty against the home team.

A line 4 inches wide shall be drawn between the goal posts to indicate the plane of the goal, and it shall be designated the Goal Line. The goals shall be centered between the side boards and placed so that the Goal Line is no less than 12 feet from the end boards.

Goal creases around the front of each goal shall be a plainly marked half-circle. The area within the crease may be painted. This half-circle shall be marked by using the midpoint of the goal line as the center and drawing a half-circle with a radius of seven feet (7') that stops at goal line extended. The crease will then extend one foot toward the boards and then turned to the end of the goal. The goal-crease area is the circular surface about each goal with-in and including the goal-crease line itself.

### **SECTION 4 GOAL NETS**

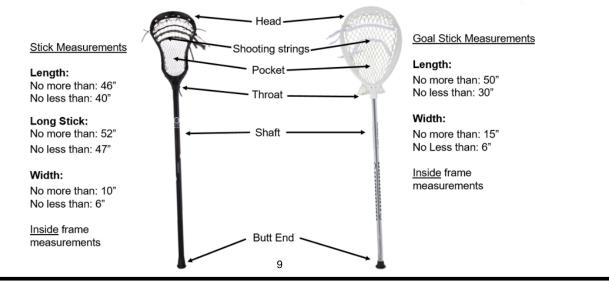

Each goal shall be fitted with a cord netting. The net shall be considered part of the goal. The mesh of the net shall not exceed 1½ inches, and the net shall be fastened to the goal posts, crossbar and the floor bar so as to prevent the passage of the ball. Nets shall be adjusted so the ball may pass completely through the imaginary plane of the goal at any place. Goal nets may be of any solid color.

#### **SECTION 5 THE BALL**

- The ball shall be an indoor, no-bounce lacrosse ball made of solid rubber and can be white, yellow, lime green, brown or orange when available, should meet the current NOCSAE and NCAA no-bounce lacrosse ball standards. CLA has not yet approved a no-bounce ball.
- Game balls shall be supplied by the home team.

#### SECTION 6 LACROSSE STICK DIMENSIONS

- The lacrosse stick shall be an overall fixed length of either 40 to 46 inches (short lacrosse stick) or 47 to 52 inches (long lacrosse stick). The circumference of the lacrosse stick handle shall be no more than 3½ inches. The head of the lacrosse stick at its widest point shall measure between 6 and 10 inches, inside measurement, at the top and the bottom of the wall. The lacrosse stick of the goalkeeper may be between 30 inches and 50 inches. The walls of any lacrosse stick shall not be more than 2 inches high. The width of the head of the goal stick shall measure between 6 and 15 inches.
- All sticks shall have a plastic or wood plug on the end or be adequately taped to prevent injury. A stick that does not have a cap-plug on the end shall not be considered illegal.

#### SECTION 7 LACROSSE STICK PROHIBITIONS

Lacrosse sticks in which the pocket has sagged to such a depth that it has become difficult for an opponent to dislodge the ball and lacrosse sticks in which the construction or stringing at the bottom is designed to withhold the ball from play also are prohibited. Additionally, no player may use a lacrosse stick that has stringing that impedes the normal and free dislodgment of the ball by an opponent. The pocket shall be deemed to have sagged too deeply if the top surface of a lacrosse ball, when placed therein, is below the bottom edge of the side wall (this rule does not apply to the goalkeeper's stick). A lacrosse stick that has been altered in such a way as to give an advantage to an individual is illegal. Any strings or leathers are limited to a hanging length of two (2) inches. A broken lacrosse stick is considered illegal.

## SECTION 4 INTERRUPTION OF GAME

If a game is interrupted because of events beyond the control of the responsible authorities, it shall be continued from the point of interruption unless there are conference, league or provincial association rules to cover the situation. Both teams are permitted to make roster changes. By mutual agreement of the opposing coaches and approval of the referee, any period may be shortened or the game terminated.

### SECTION 5 FORFEITS/GAME TERMINATION

Officials will have authority to terminate a game in response to flagrant acts of unsportsmanlike behavior including excessively rough play or the encouragement of excessively rough play by coaches, athletes, spectators, or fans. A game termination will be the last resort in ensuring the players' safety and preserving the integrity of the game. If possible, game officials will issue at least one strong warning that the game is in danger of being terminated. However, it is conceivable that games may be terminated on the first instance of a flagrant unsportsmanlike act. Every effort should be taken to avoid game termination, including the enforcement of existing rules for team-conduct penalties, unsportsmanlike-conduct penalties, and ejection fouls. All games terminated by an official will result in a 1-0 victory for the team that is innocent of the terminal offense(s). It is recommended that the game should count in league statistics as a full game, and all goals, assists, saves, and other team statistics should count toward team and league records.

# Rule 4 – Play of the Game

## **SECTION 1 COIN TOSS**

The captains of each team shall be called together at the center of the court by the officials approximately five minutes before game time. A coin shall be tossed by the referee, with a visiting team representative making the call. The team that wins the toss shall receive choice of goals or control of the first possession. The losing team shall receive the option not selected. Any special ground rules shall be explained as part of the coin-toss procedure.

The referee shall address coaches and captains, prior to the contest, concerning the expectations of good sportsmanship.

#### **SECTION 2 LINE UP**

Before the opening faceoff, the referee shall draw up the players in lines facing each other at the center of the court, with their left sides toward the goal they are defending, and explain any special ground rules.

# Rule 4 – Play of the Game

#### **SECTION 3 FACING OFF**

Play shall be started at the beginning of each period and after each goal by facing the ball at the Center Faceoff Dot.

#### EXCEPTIONS:

- 1. In the event of an extra-man situation or a flag-down situation at the conclusion of any period, the next period shall be commenced by awarding possession of the ball to the team that had possession of the ball at the conclusion of the prior period in the same relative position on the court. However, if the period ends with no team in possession, except in the previously mentioned flag-down situation, the ball shall be faced with all the nor-mal restrictions.
- 2. If a player or team commits a foul before or during any faceoff, the ball will be awarded to the offended team in its offensive side of the court at the Center Faceoff Dot.
- 3. If a player at any faceoff delays resumption of play by any action or maneuver, such as backing out, standing up, or other action meant to delay the game after the crosses are placed on the ground, the ball will be awarded to the offended team in its offensive side of the court, at the Center Faceoff Dot.
- 4. If a player moves his/her lacrosse stick or any part of his/her body or wheelchair after "set" is said and thereby gains an advantage, the ball shall be awarded to the offended team. All previous restrictions behind the defensive-area lines are still in force. This applies to all periods, including sudden-victory periods.
- The faceoff is considered to have ended when the ball crosses the blue line or it has gone out of bounds in the center court area and the officials cannot determine who was responsible. The ball shall be awarded by alternate possession if it has crossed the blue line and goes out of bounds. When the ball goes out of bounds in the center court area, the faceoff shall be redone.
- The faceoff players shall face their opponent's goal with the right shoulder facing towards the center X. The official shall indicate to both players to assume their respective positions at the same time. On a faceoff, the lacrosse sticks are held in the air above hip level, head to head, parallel to and above the center line. Both the head and the shaft must be held along the vertical plane of the Red Line. The sticks will be held back-to-back so that each player's stick is between the ball and the goal being defended. Players may not back out and reset their positions once the official has initiated the faceoff positioning.

The official shall make certain that the reverse surfaces of the lacrosse sticks match evenly, and each player shall have both hands on the handle of his/her own stick. Both hands of each player shall be to the left of the throat of his/her stick. Each player shall be positioned so that his/her entire body and wheelchair is to the left of the throat of his/her lacrosse stick. When setting the faceoff, the official must be aware of height differences between the faceoff players and position the height of the sticks to that neither player gains an advantage.

The official places the ball between the stick heads. Once the players facing have assumed their positions, the official shall say "set." Once this signal is given, both players shall remain motionless (except for their heads) until the official sounds the whistle to start play. The official will sound the whistle promptly after readying the ball for play and stating the word "set." At the sound of the whistle, both players must immediately draw their sticks up and away from one another. The flight of the ball must go higher than the heads of both faceoff players.

## SECTION 4 POSITIONING OF OTHER PLAYERS BEFORE A FACEOFF

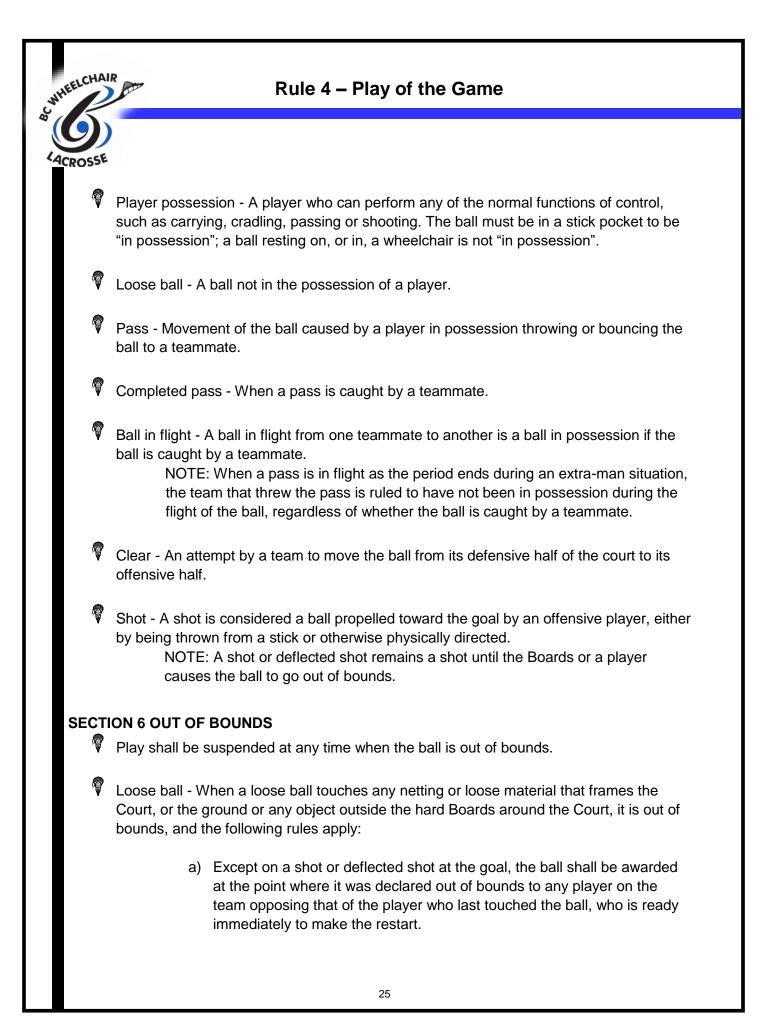

When a team has all of its players on the court, it shall confine its goalkeeper and two other players behind the defensive blue line, two players behind the offensive blue line and two wing midfielders in the center zone one on each side of the Center Faceoff Dot and outside the Face Off Circle.

When the whistle sounds to start play, the players in the center zone outside the Faceoff Circle shall be released. All other players are confined to their areas until a player of either team has gained possession of the ball, the ball goes out of bounds, the ball crosses either Blue Line or a whistle stops play for a time-serving foul. Players designated in the center zone area and players designated behind the Blue Lines may not interchange positions before possession has been called.

During the faceoff in all penalty situations, there must be three players in the defensive area and two players in the offensive area. Exception: When a team has three players in the Penalty Box, a player may come out of its defensive area to take the faceoff but must remain onside.

#### SECTION 5 PLAY OF THE BALL DEFINITIONS

Free play - Whenever a player has been awarded the ball for any reason. Under such conditions, no player may take a position closer to him than five yards.

# Rule 4 – Play of the Game

- b) Should a ball that has not crossed the Blue Line go directly out of bounds on a face off, it shall be redone under the following conditions:
  - 1 It is not known which team caused the ball to go out of bounds.
  - 2 It is not known who last touched the ball prior to going out of bounds.
- c) When a loose ball goes out of bounds as a result of a shot or deflected shot at the goal, it shall be awarded to the team that had an inbounds player's body nearest to the ball when it became an out-of-bounds ball, at the point where it was declared out of bounds. If two inbounds players of opposite teams are equal distance from the ball when it goes out of bounds, play shall resume according to the alternate-possession rule. In determining which player is nearest, the ball is considered out of bounds when it crosses the plane of the boards.

NOTE: For the purpose of this rule, the stick is not considered a part of a player's body.

The ball will be considered out of bounds if it touches any player or wheelchair that is in or touching the Substitution Box or the Penalty Box when such zones are being used on the surface of the Court.

## SECTION 7 BALL CAUGHT IN STICK OR EQUIPMENT

If at any point the ball becomes stuck in the front or back of the stick pocket, there shall be an immediate whistle and the ball will be awarded to the opposing team.

If the ball is caught in a player's uniform, wheelchair or equipment other than his/her stick, play shall be suspended immediately, and the ball shall be awarded according to the alternate-possession rule.

NOTE: Neither situation above applies to a designated goalkeeper if he/she is within his/her goal-crease area at the time the ball becomes stuck. In this case, a defensive player shall be awarded the ball laterally beside the goal near the side boards.

# Rule 4 – Play of the Game

- If the ball is under a player's chair and not immediately moving or otherwise not able to be played e.g. snared in the net, the officials shall sound the whistle to suspend play and award the ball as follows:
  - a. If the ball is within the crease the ball shall be awarded to a defensive player.
  - b. If the ball is outside the crease the ball shall be awarded under the alternate possession rule.

## **SECTION 8 GOAL SCORED**

A goal is scored when a loose ball passes from the front, completely through the imaginary plane formed by the rear edges of the goal line, the goal posts and the crossbar of the goal, regardless of who supplied the impetus.

## SECTION 9 DISALLOWED GOALS

Under specified conditions, a goal shall be disallowed when the ball passes through the plane of the goal.

A goal shall be disallowed:

- a. After the horn sounds to indicate the end of a period.
- b. After the period has ended, regardless of whether the official's whistle may have sounded.
- c. When any part of the body or wheelchair of a player of the attacking team is in the goal-crease area at the time.
- d. When the attacking team has more than 8 players (including in the Penalty Box) on the court (outside the Substitution Area) at the time.
- e. When the attacking team or both teams are offside at the time.
- f. After one of the officials has sounded the whistle for any reason, even if the sounding of the whistle was inadvertent.
- g. If the head comes off the stick on a successful shot, the goal shall be disallowed and the ball will be awarded to the defensive team, laterally beside the goal near the side boards.
- h. When there is a flag down for a foul by the scoring team.
- i. When there is a play on for a foul by the scoring team.
- j. After a player from the attacking team has released early from the Penalty Box.
- k. When the scoring player's lacrosse stick is found to be illegal, or if the scoring player adjusts the stick after the official requests it, after the goal but before the next live ball.

- I. After a player in the act of shooting or his/her teammate touches the goalkeeper or the goalkeeper's wheelchair in the crease or touches any part of the goal or netting prior to the ball entering the goal.
- m. If an official recognizes a request for a timeout from the team in possession or a foul by that team before the ball breaks the plane of the goal, regardless of whether the official has had time to blow the whistle.
- n. If an attacking player deliberately leaves his/her wheelchair by propelling or diving and his/her momentum carries him into the crease area, regardless of where he/she lands in the crease, before or after the ball enters the goal.

## **SECTION 10 OFFSIDE**

A team is considered offside when it has more than five players (including players serving penalties) in its offensive half of the court (between the Red Line and the end wall).

A team is considered offside when it has more than six players (including players serving penalties) in its defensive half of the court (between the Red Line and end wall).

## **SECTION 11 NOT OFFSIDE**

A team is not considered to be offside when four players or more of the same team are in the Penalty Box. That team is required to have two players in their offensive half of the court and the remainder of its players in the defensive half of the court at all times. No penalty shall result from the failure of the team to have the required number of players in the defensive half of the court when this situation exists.

## SECTION 12 OFFSIDE ENFORCEMENT

If only one team is offside, a technical foul shall be called against the offending team.

If both teams are offside and one of the teams has possession of the ball, the players shall be placed onside and play resumed with the team in possession of the ball retaining possession.

If both teams are offside and neither team has possession of the ball, the players shall be placed onside, and the ball shall be awarded according to alternate-possession rule.

If the team not in possession of the ball is offside, the ball shall be awarded to the offended team at the spot where the ball was when play was suspended.

## SECTION 13 OFFSIDE, GOAL SCORED

When the attacking team is offside and a goal is scored, the goal shall not count, and the ball shall be awarded to the other team in its offensive side of the court at the center faceoff. If the defensive team is offside, the goal counts, and no penalty shall be assessed. If both teams are offside, the goal shall not count, and the ball shall be awarded according to the alternate-possession rule.

## **SECTION 14 BODY CHECKING**

Body checking of an opponent in possession of the ball or within three yards of a loose ball, from the front or side above the waist and below the neck with both hands together on the stick, is legal. Body checking includes legal contact with the wheelchairs of two or more players.

## **SECTION 15 CHECKING WITH STICK**

Checking an opponent's stick with his/her own stick when that opponent has possession of the ball or is within three yards of a loose ball or when the ball in flight is within three yards of the player, is legal.

## **SECTION 16 OFFENSIVE SCREENING**

 $\P$  Stationary and motionless offensive screening of an opponent is legal.

## SECTION 17 GOAL-CREASE PRIVILEGES

- The goalkeeper may stop or block the ball in any manner with his/her stick, body or chair. He/she may block the ball or bat it away with his/her hand, but he/she may not catch the ball with his/her hand. However, if the ball is outside the crease, the goalkeeper may not touch it with his/her hand even if he/she is within his/her crease. He/she or any player of the defending team may receive a pass while in the crease area.
- No opposing player shall make contact with the goalkeeper or his/her goal stick or wheelchair while the goalkeeper is within the goal-crease area, regardless of whether the goalkeeper has the ball in his/her possession. An attacking player may reach within the crease area to play a loose ball as long as he/she does not make contact with the goalkeeper or the goalkeeper's stick or wheelchair. An attacking player may not play the ball if it is under the goalkeepers wheelchair within the crease.
- The stick of the goalkeeper, not his/her body, when extended outside the cylinder above the crease area, is subject to being checked under the same circumstances as the stick of any other player, except when the ball is in the stick.

# Rule 4 – Play of the Game

#### SECTION 18 GOAL-CREASE PROHIBITIONS

- An attacking player may not be in the opponent's goal-crease area at any time.
- A defending player, including the goalkeeper, with the ball in his/her possession, may not enter the goal-crease area, nor may he/she remain within the goal-crease area in possession of the ball longer than four seconds.
- A player is considered to have entered the goal-crease area when any part of his/her body or wheelchair touches the goal-crease area.
- The goalkeeper is considered to be outside the goal-crease area when no part of his/her body or wheelchair touches the goal-crease area and part of his/her body or wheelchair is touching an area outside of the goal-crease area.

## SECTION 19 BALL OUT OF PLAY IN GOAL-CREASE AREA

If the ball becomes ensnared in the goal netting, time shall be suspended by the officials, and the ball shall be awarded to a defensive player laterally beside the goal near the side boards.

#### **SECTION 20 SUBSTITUTION**

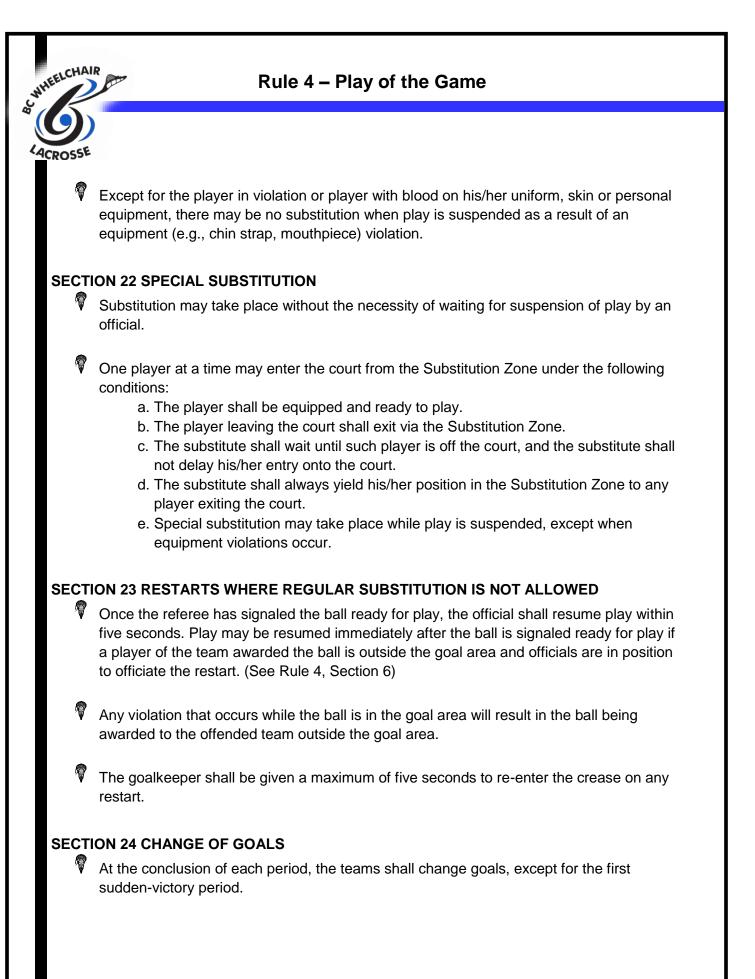

- Substitution of players may be made when play has been suspended by the officials, except as stated in Rule 4, Section 23.
- Before being eligible to enter the court, a substitute shall:
  - a. Enter the court immediately, equipped and ready to play. A player who has been substituted for shall leave the court at the Substitution Zone or his/her bench area.

#### **SECTION 21 REGULAR SUBSTITUTION PROHIBITIONS**

- The substitution of players when play has been suspended is restricted.
- V

Regular substitutions may not take place after the ball has gone out of bounds.

Regular substitutions may not take place after play has been suspended for nontimeserving violations or inadvertent whistles.

## SECTION 25 OFFICIAL'S TIME-OUTS

An official may suspend play at his/her discretion. If a player, in a scrimmage area, loses any of his/her required personal equipment or falls out of the players chair in a scrimmage area, the wheelchair is broken, a player is apparently injured, play shall be suspended immediately. If an official discovers a player who is apparently bleeding, has an open wound, or has any blood on his/her uniform, such player shall be considered an injured player.

If the player is not in the scrimmage area, or does not need immediate attention, the official shall delay the sounding of the whistle as follows:

- a) If the attacking team is in possession of the ball in the goal half of the court, until the play is completed.
- b) If the ball is not in the possession of either team, wait until possession is secured and the play is completed.
- Officials will restart play as soon as the injured player has been removed from the court. The injured player shall be replaced but can substitute back into the game after play has resumed at the next allowable point of substitution.

During an injury time-out, teams are permitted to go to the team bench areas to talk to their coaches. Free substitution is permitted.

Play shall be suspended immediately if the goalie's stick or any other required goalie's equipment becomes broken.

In the event of harsh weather conditions at an outdoor court, officials may call for additional time-outs during a dead ball. These time-outs will not be charged to either team.

The signal flag is not raised for an official's time-out.

#### **SECTION 26 TEAM TIME-OUTS**

When the ball is dead, only a member of either team who is on the court or a team's head coach may request an official time-out.

During play, team time-outs may be called from anywhere on the court only by a member of a team in possession or by that team's head coach.

## Rule 4 – Play of the Game

During time-outs and between periods (except for half time), coaches shall remain in their respective Team Bench areas.

A team shall be limited to four nonconsecutive team time-outs per game, with no more than two to be taken in any half, and one per sudden victory period.

**Note**: If due to number of games and time available, the tournament director may provide that the teams are only allowed two team time-outs per game, with one time-out per half, and one per sudden victory period.

Each team time-out may not exceed one minute.

If a team has requested a team time-out and is ready to play in less than 30 seconds, the official will so inform the opponents, and both teams shall then be ready to play in 20 seconds.

Any suspension of play because of an apparently injured player, whether called by an official, coach or captain, shall not be charged as a time-out if such player is removed from the court as soon as possible. An apparently unconscious player is determined by the game officials. The player may not return to play in the game without written authorization from a physician (MD/DO). This time-out is an official's time-out. A substitute for the apparently injured player shall report immediately.

## SECTION 27 RESTARTS FOLLOWING A TIME-OUT

Restarts following a time-out shall be nearest the spot where the ball was at the time the whistle was blown.

## SECTION 28 ILLEGAL EQUIPMENT - REQUEST FOR EQUIPMENT CHECK

Any player is subject to having his/her equipment inspected by an official upon request. Once the game has commenced, a head coach may request the inspection of the equipment of any player on the opposing team without incurring a penalty (i.e., a "free" check). A head coach's request for an equipment inspection shall refer to a specific player and shall occur during a dead-ball situation. The following procedures apply to the inspection of a player's equipment upon the request of a head coach:

a. Only one player's equipment may be inspected per request. All aspects of the equipment construction and dimensions will be considered.

b. If a head coach makes a second or subsequent request, and all equipment is found to be legal, that head coach's team will be penalized as provided for in Rule 6, Section 5, assuming no violations were found in a previous request.

Each half, officials shall conduct at least one random inspection of a player's equipment per team. These inspections shall take place in dead-ball situations. Players in violation will be penalized the same as if the equipment inspection were requested by the opposing head coach. The following procedures apply:

- 1. Officials shall select players whom they suspect may be using illegal equipment, who are involved in the scoring or who frequently are involved in ball-handling situations.
- 2. A player need not be on the court in order to have his/her equipment inspected.
- 3. Players or coaches may not attempt to influence the officials decision to which player's equipment shall be inspected.
- 4. The official shall inspect all of the players' required equipment when asked to inspect his/her stick or any other specific piece.

A lacrosse stick found to be illegal shall be penalized according to Rule 5, Section 5. Any other equipment found to be illegal shall be penalized according to Rule 5, Section 6.

## SECTION 29 ILLEGAL NUMBER OF LONG STICKS - REQUEST FOR A COUNT

A head coach may request a count of the number of long crosses any time during the contest. The head coach may request a double horn at the next dead-ball whistle so that a count may be taken once play has been suspended. If a head coach makes a second or subsequent request and the correct number of long crosses are in the game, that team will be penalized as provided for in Rule 6, Section 5, assuming no violations were found in the previous request.

## SECTION 30 SUDDEN-VICTORY OVERTIME PLAY

- In the event of a tie at the end of the regulation game, a coin shall be flipped by the referee, with the captain who wins the toss selecting the goal his/her team wishes to defend. Play shall be continued after an intermission of two minutes.
- All sudden-victory overtime periods shall be started with a faceoff. (See Rule 4, Section 3 for special situations.) Play will proceed for a four-minute period or until a goal is scored. At the end of the four-minute period, there will be a two-minute intermission, and the teams shall change goals. Four-minute periods shall be continued in this manner until a goal is scored. Each team is entitled to one team time-out and one Situational Substitution time-out per sudden victory period.
- Sudden victory overtime period will be 3v3. No Able Bodies are allowed to play during sudden victory overtime. (Exception, if a team's goalkeeper is an AB player that player may continue to play as a goalkeeper during the sudden victory overtime).

## SECTION 31 ALTERNATE POSSESSION

When the officials cannot determine which team should be awarded the ball, possession shall alternate. The referee shall keep track of the alternating possessions.

# **Rule 5 – Personal and Ejection Fouls**

## **SECTION 1 PERSONAL FOULS**

Personal fouls are those of a serious nature: illegal body checking, slashing, cross checking, tripping, unnecessary roughness, unsportsmanlike conduct and the use of an illegal stick.

PENALTY: The penalty for a personal foul shall be a penalty for one, two, or three minutes, depending on the official's judgment of the severity and perceived intent of the personal foul. The ball shall be given to the team fouled.

## **SECTION 2 CROSS-CHECK**

A player may not check his/her opponent with his/her stick in a cross-check position. That is, a check with that part of the handle of the lacrosse stick that is between the player's hands, either by thrusting away from the body or by holding it extended from the body.

## SECTION 3 ILLEGAL BODY CHECK

- Body checking of an opponent who is not in possession of the ball or within three yards of a loose ball.
- Avoidable body check of an opponent after he/she has passed or shot the ball.
- Body checking of an opponent from the rear or behind the axle.
- Body checking of an opponent by a player, in which contact is made above the shoulders of the opponent. To be legal, such a body check shall be below the neck, and both hands of the player applying the body check shall remain together and in contact with his/her lacrosse stick. If a player who is about to be body checked turns his/her back in such a manner to make what started to be a legal check appear illegal, no foul is committed by the player applying the body check.

# Rule 5 – Personal and Ejection Fouls

Body checking of an opponent who has any part of his/her body on the surface of the Court.

Blocking of an opponent with the head or initiating contact with the head (spearing). A one, two, or three minute non-releasable foul, at the Official's discretion may be imposed. An excessive violation of this rule may result in an ejection from the game.

Body checking of an opponent who is bent over or who has lost their balance.

Body checking of an opponent by blocking, pushing, driving or otherwise propelling a player into the Boards ("Boarding") Note: this is not intended to apply to clearly unintentional "forcing" a player into the boards.

A body-check that targets a player in a defenseless position. This includes but is not limited to: (i) body checking a player from his/her "blind side"; (ii) body checking a player who has his/her head down in an attempt to play a loose ball; and (iii) body checking a player whose head is turned away to receive a pass, even if that player turns toward the contact immediately before the body check.

Note: Body checking includes chair to chair or chair to body checking.

## SECTION 4 CHECKS INVOLVING THE HEAD/NECK

A player shall not initiate contact to an opponent's head or neck with a cross-check, or with any part of his/her body (head, elbow, shoulder, etc.). Any follow through that contacts the head or neck shall also be considered a violation of this rule.

A player shall not initiate an excessive, violent, or uncontrolled slash to the head/neck.

A player, including an offensive player in possession of the ball, shall not block an opponent with the head or initiate contact with the head (known as spearing). **PENALTY:** Two- or three-minute non-releasable foul, at the official's discretion. An excessively violent violation of this rule may result in an ejection.

Ŋ

# Rule 5 – Personal and Ejection Fouls

#### SECTION 5 ILLEGAL LACROSSE STICK

A player may not use a stick that does not conform to required specifications. Use of an illegal stick carries a one or three-minute non-releasable penalty. A stick found illegal due to a deep pocket will carry a one-minute non-releasable penalty. A player using a stick found illegal because it was altered to gain an advantage will receive a three-minute non-releasable penalty, and the illegal stick will remain in the table area for the remainder of the game. Every lacrosse stick on a team is subject to inspection, and the stick doesn't need to be in the game to be inspected.

#### SECTION 6 USE OF ILLEGAL EQUIPMENT

A player may not use equipment that does not conform to specifications. The fingers and palms may not be cut out of the gloves, nor may the gloves be altered in a way that compromises their protective features. Use of illegal equipment other than the stick is a non-releasable foul.

#### **SECTION 7 SLASHING**

- Swinging a lacrosse stick at an opponent's stick or body with deliberate viciousness or reckless abandon, regardless of whether the opponent's stick or body is struck.
  - Striking an opponent in an attempt to dislodge the ball from his/her stick, unless the player in possession, in an attempt to protect his/her crosses, uses some part of his/her body other than his/her head or neck to ward off the thrust of the defensive player's stick and, as a result, the defensive player's stick strikes some part of the attacking player's body other than his/her head or neck.
- Striking an opponent in any part of the body, or on the face, neck, chest, back, shoulders, groin or on the head with the stick (including its butt end), except when done by a player in the act of passing, shooting or attempting to scoop the ball. In all situations, the player's gloved hand shall be considered part of the stick, except when in contact with the Boards.

## **SECTION 8 TRIPPING**

A player may not trip an opponent with any part of his/her body or stick. Tripping is obstructing an opponent at or below the waist with the stick, hands, arms or wheelchair, and shall include placing or causing the stick to be inserted into the spokes of the wheel or the frame of the wheelchair with the purpose of hindering progress or gaining a situational advantage. When a player legally checks the stick of an opponent and the result is to cause the opponent to trip over his/her own stick or wheelchair, no foul is committed. Similarly, if an opponent falls over a player's stick when that player is attempting to scoop a loose ball, no foul has been committed.

# Rule 5 – Personal and Ejection Fouls

#### SECTION 9 UNNECESSARY ROUGHNESS

- An excessively violent infraction of the rules against holding and pushing.
- Deliberate and excessively violent contact made by a defensive player against an offensive player who has established a screening position.
- Any avoidable act on the part of a player that is deliberate and excessively violent, whether it be with the body or stick. This may include a legal body check.
- A check delivered with the gloved hand or hands may not be delivered with a punching blow.

#### SECTION 10 UNSPORTSMANLIKE CONDUCT

- No player, substitute, non-playing member of a squad, coach or any-one officially connected with a competing team shall:
  - a. Enter into an argument with an official as to any decision that has been made or in any way attempt to influence the decision of an official.
  - b. Use threatening, profane or obscene language or gestures at any time during the game.
  - c. Bait or call undue attention to oneself, or any other act considered unsportsmanlike by the officials.
  - **PENALTY:** Items above are one, two, or three minute non-releasable penalties.
  - d. Repeatedly commit the same technical foul. **PENALTY:** Item above is a one, two, or three minute releasable penalty.

#### **SECTION 11 FOULING OUT**

Any player who accumulates five minutes of personal foul time shall be disqualified from the game. A substitute for that player may enter the game when the disqualified player would have been permitted to re-enter had he/she not fouled out.

# Rule 5 – Personal and Ejection Fouls

## **SECTION 12 EJECTION**

- A player, substitute, coach, nonplaying member of a team or any-one officially connected with the team shall be ejected for:
  - a. Deliberately striking or attempting to strike anyone or leaving the substitution zone or bench area during an altercation.
  - b. Use of tobacco or smokeless tobacco.
  - c. Second non-releasable, unsportsmanlike foul.
  - d. Any action deemed by the officials to be flagrant misconduct.

**NOTE:** BC Wheelchair Lacrosse disapproves of any form of taunting which is intended or designed to embarrass, ridicule or demean others under any circumstances including on the basis of race, religion, gender, national origin or disability.

**PENALTY:** Three-minute non-releasable penalty and ejection tor the remainder of the game and the team's next game. The ejected player or coach shall be removed from the premises (bench and court area). See Rule 7, Section 12.

# **Rule 6 – Technical Fouls**

#### **SECTION 1 TECHNICAL FOULS**

Technical fouls are those of a less serious nature than personal fouls and include all violations of the rules of the game except those specifically listed as personal or ejection fouls.

**PENALTY:** The penalty for a technical foul shall be either a 30-second penalty (if the team fouled had possession of the ball at the time the foul was committed) or simply the awarding of the ball to the team fouled (if the team fouled did not have possession of the ball at the time the foul was committed).

## SECTION 2 CREASE VIOLATIONS/GOALKEEPER INTERFERENCE

When the defensive team has possession of the ball, infringements of the rules involving the crease shall be penalized as follows (rather than under the general rules for technical fouls):

a. Any crease violation or interference with the goalkeeper of a technical nature while the ball is in possession of the defensive team outside of the crease shall result in a delayed penalty, flag-down situation.

b. Any crease violation or interference with the goalkeeper while he/she and the ball are in the crease, whether or not he/she has possession of the ball, shall be a play-on. If the goalkeeper has possession and fails to move the ball out of the crease or successfully complete an outlet pass, the ball is awarded to his/her team in its offensive side of the court at the Center Faceoff Dot. If the ball is loose in the crease and the goalkeeper gains possession, the play-on is over.

## **SECTION 3 HOLDING**

A player shall not impede the movement of an opponent using his/her wheelchair or by grabbing any portion of an opponent's chair or his/her stick.

#### A player may not:

- a. Use the portion of the handle that is between his/her hands to hold an opponent or an opponent's wheelchair.
- b. Roll his/her wheelchair onto the stick of an opponent.
- c. Hold an opponent or an opponent's wheelchair with his/her stick.
- d. Hold or pin an opponent's stick against the body of the opponent with his/her stick.
- e. Hold an opponent or an opponent's wheelchair with his/her free hand that is off the stick.
