Under Armour Face Protector Receives CSA Approval

November 26, 2015

The CLA is pleased to announce that the Canadian Safety Association (CSA) Group has recently approved the following Under Armour Face Protector for the use in Lacrosse and is therefore permitted to use per CLA policy 12.4.2 –

- Model: UA V96 Mask (sizes Jr and SR)

Please note that this Under Armour Face Protector is a Type B mask and therefore is a full-face protector intended for use by players other than goalkeepers. The UA V96 Mask must be worn with a **CSA approved Hockey Helmet**.

There are currently five CSA approved facemasks for lacrosse:

1. Under Armour Model UA V96 (in size Jr & Sr) **a photo of this mask can be found in appendix A*
2. Under Armour CLA Mask (in size Jr & Sr)
3. Marty O'Neill MX-13 Senior & Youth
4. OTNY Junior & Senior mask
5. Gait G7 Senior & Junior

Note: Equipment that violates the specifications contained in this bulletin will be removed from the game and, where required, appropriate penalties will be given.

Additional information and technical bulletins related to equipment may be found on the [equipment page of the CLA website](#).

The CLA's greatest priority is the safety of all members and participants.

Please do not hesitate to contact CLA Program Coordinator, Jean-François Roy (jean-francois@lacrosse.ca or 613-260-2028 ext. 301) should you have any additional questions or concerns.

Enjoy the game and play safe.
