

## Team BC – U19/U16 Field Lacrosse Program

Team BC – U19/U16 Field Lacrosse Program is a designed with two primary factors in mind. Primarily, the objective of this program is to assemble and develop a U19 and a U16 Field Lacrosse Team to compete successfully in the Canadian National Championships. Secondly, Team BC wants to give players some exposure to College and University Coaches for pursuit of Scholarships to attend Post Secondary Institutions in both the United States and Canada.

Both teams will compete in the National Field Lacrosse Championships that will be held over the Labour Day weekend in 2012. The U16 Team will attend a Scouting Tournament in the United States in the fall months of 2012, with dates to be finalized (likely in late October or early November).

To be eligible for either team, players must be registered to play Field Lacrosse with the BCLA for the current playing season (2011-12). In the event that a player is away at College, University or Prep School and is unable to play Community Lacrosse, he may still register with the BCLA to ensure eligibility. Players who are absentee cases must still complete the Player Application Form to be considered for either the U19 or U16 Team. Absentee Players names will be brought forward to the Team BC - Field Lacrosse Committee for evaluation and possible inclusion in the program.
