**MINUTES of the  
2021 BC Annual General Meeting  
Saturday October 16, 2021  
Zoom Meeting**

**1. Acknowledgement/Welcome/Call to Order**

The meeting was called to order at 10:37 AM by BCLA President Gerry Van Beek presiding.

Gerry welcomed all members to the 2021 BCLA AGM General Session, being hosted via Zoom, and he acknowledged that the meeting was being hosted at his location, in the unceded territory of the Katzie, Kwantlen, Stó:lō, Coast Salish, and Stz'uminus First Nations Peoples.

Gerry acknowledged the professionalism of the BCLA staff in their running of large-scale Zoom meetings. Thank you to the staff for all their hard work over the past challenging year.

Gerry explained voting and meeting procedures to all attendees. Participants were to use their “yes” and “no” buttons when voting and the “raise hand” button if they want to speak. The “chat” function was asked to keep at a minimum as it was not being formally monitored.

Gerry stated that the AGM provides the opportunity for members to say their part and give direction to the BCLA.

Gerry advised all members that the meeting was being recorded for purposes of accuracy for the recording of these minutes.

**2. Approval of Minutes of the October 17, 2020 BCLA Annual General Meeting**

*It was moved by Dave Wilkie seconded by Angie Schwan, that the Minutes of the 2020 BC Lacrosse Association Annual General Meeting be adopted as circulated. CARRIED.*

**3. Business Arising from Previous Minutes (2020 BCLA AGM)**

a) Deferred Motion - Regulation 8. Jurisdiction

*Motion withdrawn by Greg Toll.*

**4. Executive Reports**

All reports contained in the 2021 BCLA Annual Report

a) President: Gerry Van Beek

Nothing to add, no questions.

b) Secretary - Nichola Manning

Nothing to add, no questions.

c) Vice President – Operations: Greg Toll

Gerry thanked Greg for his tremendous service over the past multiple years. No questions.

d) Vice President – Performance Programs: Gord Kask

Gerry noted that the performance programs were a leader in returning to lacrosse for both field and box. No questions.

- e) Vice President – Development: Terry Mosdell  
Nothing to add. No questions.
- f) Vice President – Technical Programs: Dennis Quigley  
Dennis expressed his thanks to Lee Brien for 8-years of service as Chair of Officials and thanked Russ Sheppard for stepping into the role of Chair of Coaches. He also thanked the BCLA staff for their work over the past year. No questions.
- g) Director at Large: David Jenkins  
Dave sent regrets. No questions.
- h) Executive Director: Jeff Gombar  
Jeff acknowledged that there are plenty of “thank-you’s” to go around to all volunteers who made this year work under such difficult pandemic circumstances. Thank you to everyone for “keeping the ball rolling.” No questions.
- i) Vice President – Administration and Finance: Angie Schwan  
BCLA Financial Statements were included in the pre-reading materials. Angie thanked the BCLA staff for going above and beyond during this difficult year. There were many extra hours of work which are much appreciated. Angie noted that at last year’s AGM there was a reduction in minor registration fees, effective for a single year. Minor registration fees have now returned to normal levels, as per 2020. No questions.

*It was moved by Angie Schwan seconded by Greg Toll, that the BCLA’s 2021 Financial Report, including the budget, be approved as presented in the Annual Report. CARRIED.*

*It was moved by Gord McIntosh seconded by Dylan Taylor, that the Executive Reports be accepted as circulated in the Annual Report. CARRIED.*

## **5. Directorate/Technical Support Group Reports**

- a) Senior Directorate (Dave Wilkie)  
Dave thanked Lindsay Wilkie for her time as secretary to the Senior Directorate. The SD is currently looking for a new secretary, and Dave is willing to speak to anyone who may be interested in this position. Dave expressed his thanks to the leagues who were able to get in some games over the past year, as well, he thanked the BCLA staff for the constant updates and information.
- b) Minor Directorate (Gordon McIntosh)  
Gord reported that the Minor Directorate held its AGM on October 21, 2021 and welcomed back Pam Mason as Vice Chair. Gord thanked outgoing Female Chair Linda Cretney for her time and welcomed in the new Female Chair, John Hamilton.
- c) Field Directorate (Beth McLucas)  
Beth reported that the Field Directorate held its Special Session on April 10 whereby she was confirmed as Chair, Trish Keizer as Vice Chair, and Dylan Taylor as Secretary. Beth thanked those who previously held these positions. Beth indicated that Langley will be hosting U13/15/18 Youth Field Provincials but the FD is still looking for a host for U11 and Women’s Provincials.
- d) BC Lacrosse Coaches Group (Russ Sheppard)  
Russ Sheppard sent regrets

e) BC Lacrosse Officials Group (Lee Brien)

Andy Watson conducted the report out and thanked Lee for his role as Chair. Andy welcomed Angie Reid into her new role as Vice Chair and thanked returning executive members, as well as the BCLA staff. Andy reported that there are still games being cancelled due to lack of officials and that significant efforts are being made to try and bend the curve to prevent official abuse and make the game more respectful.

6. **Credentials Report** (Nichola Manning)

Nichola Manning, BCLA Secretary, provided the Credentials Report. Out of a possible 319 votes, there were 209 registered votes and 171 actual voting delegates in attendance at the BCLA AGM General Session. The breakdown as follows:

**BCLA President's Report: Gerry Van Beek**

---

HUGE THANK YOU to all the volunteers for their continued dedication to lacrosse during the events precipitated by the CoVID-19 Pandemic. Through the winter we began closer to full participation and things are moving to no significant restrictions to the member's complete participation.

THANK YOU to the full time BC Lacrosse Association (BCLA) Staff (Jeff, Debbie, Dave, & Matt). The BCLA is fortunate having such dedicated employees. Thank you also to the Team BC technical program staffers Darcy & Mitch have helped guide BCLA High-Performance programs to new heights in the lacrosse world.

THANK YOU to the BCLA Board members for their guidance and dedication to the lacrosse during the past year.

I am saddened that we are not meeting in person. I am further saddened that we do not have a celebration of the BCLA Member Volunteers. I look forward to return of these in person events in the future.

This report recaps and reports events since last AGM. Many items are covered in other member's reports.

Field Lacrosse proceeded with minimal restrictions including provincials.

Box Lacrosse leagues had some restrictions in the beginning of their start-ups and were able to provide full seasons to the BCLA Members.

With everything starting up, there was some scheduling conflicts with Team BC Travel, Tournaments, BC Games, Canada Games, and other events all restarting in the Spring & Summer of 2022. The extra competitions were a complication, that is better than the alternative of limiting activities during the previous two (2) years.

BCLA teams performed phenomenally on the National stages. A Big Thank you to Alex Vanichuk, Langley Minor Lacrosse, and other BCLA Volunteer for presenting a fantastic event.

Lacrosse Canada (LC) continues to offer more regional events relating to Team Canada Men's and Women's Teams throughout the country. Watch releases and social media for details of upcoming events.

Lacrosse Canada (LC) held an in person Semi-Annual Meeting of the Members in Charlottetown PEI. These meetings dealt with some changes for future National Championships and rule changes for box lacrosse. Most important was the ability to meet in person and discuss updates that lacrosse programming needs for vibrancy in the future. BCLA is hosting the 2023 Semi-Annual Meeting hopefully in Victoria Area of BC late next spring.

Other LC notes are...

- The Long-Term Athlete Development (LTAD) committee's reports for Box, Women's Field, and Men's Field Lacrosse were presented and published.
- Lacrosse 6s. Lacrosse Canada decided to create a sector for this discipline. More Lacrosse Canada information is forthcoming.
  - Until certification of coaches and officials is complete, Box and Field certifications qualify coaches and officials. It is recommended that participants use it as modified of their present discipline until more information is provided. Players must be registered within a BCLA discipline and treat the events as training. Saying that... the 6s discipline of lacrosse cannot be ignored and treated as a side sport of Box, Women's Field, or Men's Field Lacrosse. How BCLA will set it up is not decided. We plan engagement with interested parties to find the best solution. Learning from Rugby 7s, 3v3 Basketball, 2v2 Beach Volleyball, 5v5 Soccer etc. tells us that if we treat it as a training tool only, BC (& Canada) will lose our dominance in this version of the sport. Repeating from last year's report
    - Canadian athletes, coaches, & officials have and will continue testing Lacrosse 6s version of lacrosse at several international exhibition events. Local lacrosse participants (Box, MF, WF) are encouraged to try, test, evaluate, etc. this version and provide feedback.
- Lacrosse Canada plans significant fee increases in two years (\$6.00 per participant & \$10-\$15 per coach/official increase). Lacrosse Canada has been running deficits for the past several years and there is an ambitious plan to earn these increases.

I am letting my name stand for re-election and I continue looking forward for ....

- Continuing increase of lacrosse activities in all forms.
- Allowing recreational stream of lacrosse.
- Reinvigoration the BC Lacrosse Volunteer Leadership Technical Support Group (BCLVTSG). The BCLVTSG is charged with implementing and administering effective recruiting, education, discipline, and evaluation programs throughout the province. This Support Group was approved several years ago and is vital our community. A special session of this group was to be called before the end of 2021. This did not happen, and it should happen ASAP.
- A new Strategic plan. Meetings are planned for Early November 2022.
- The BCLA financial responses to the CoVID-19 emergency measures has kept the BCLA operational. Those responses are covered in other reports. Thanks to members, viaSport and various governing body programs that sustained the financial viability of the BCLA. I'm proud that the BCLA continues to be financially viable while minimizing negative financial burdens on its members. We prepared for the worst, fortunately the worst didn't happen.

Thanks for the BCLA member support this past year. I encourage communication, whether agreeable or not. I believe in accountability and communication. Here's to a better 2023.

Yours in Lacrosse,

Gerry Van Beek

**BCLA Vice President – Administration/Finance Report: Angie Schwan**

---

I am pleased to provide the following report for the 2022 AGM.

As we brought on a new staff member this year, Matt Doherty helped bring our office staff back to a level that provided each of our members with a good level of support from the office. Dave Showers, Deb Heard and Jeff Gombar were able to better organize combined efforts and we work to continue to offer excellent services from the office. I would like to thank all four of our office staff for their continued diligence during this past year.

A list of Appeal Committee members was put together this year with the additional information to determine which members could attend virtual meetings. I would like to thank all volunteer members for their willingness to sit on the BCLA Appeals Committee, and a big thank you to those members that actually did sit on an Appeal.

Overall, we appear to be in solid financial position; our audited financial statements are not yet available as of the date of writing this report but will be available to the members at the AGM. It is important to note that we continue to save funds when we host virtual meetings, but I do wonder if this is something the membership wishes to see return; knowing of course that some committee meetings are more easily held in person, it is something that I believe we should consider, even if only for a limited number of meetings. Of note for upcoming consideration is the proposed CLA fees which if passed would take effect in the 2023/2024 calendar year. The proposal (as of the date of writing this report) would change fees from \$4 per player to \$10 per player. While a significant increase, there are a number of proposed changes this would bring, and while welcome changes, these funds would need to be recouped from membership fees of our own clubs.

As we move closer to the end of 2024 when our current strategic plan will need to be renewed, I trust that as in the past the BCLA membership and Executive will execute the chosen plans like no other sport in the Province of BC does.

The 2021-22 season was the second year of a two-year term as the BCLA VP Administration, and I would like to thank all members of the BCLA for entrusting me in this important role. I would like to also thank the BCLA Executive for their support during this past year. I will not be returning for another term and wish all members of the BC Lacrosse Association the best of luck in the future.

Be well my friends!  
With respect,

Angie Schwan  
BCLA Vice President – Administration/Finance

**BCLA Secretary Report: Nichola Manning**

---

I would like to thank the membership for allowing me to volunteer for this role over the past two years. I have appreciated the insight from all our Board members as well as guidance from Jeff Gombar and the BCLA staff.

Throughout the 2021/22 season, the BCLA Board met monthly via Zoom, with the exception of February, April and July (but twice in August). There were also a few extraordinary meetings called by the Chair when important issues arose. Minutes from all board meetings have been posted to each sector's page on BCLA's online COP.

It was a pleasure to observe "back-to-normal" lacrosse with full seasons able to unfold and provincial championships occurring. I want to express my gratitude to all the BCLA association volunteers who enabled our members to participate in full-scale box and field lacrosse activity, while continuing to keep everyone safe. It truly demonstrates the resilience of our sport after all the restrictions imposed by the pandemic.

Finally, I would like to thank both outgoing board members, Angie Schwan and Russ Sheppard, for their thoughtful perspectives and contributions to the BCLA board. While I'm sure you both will not stray far from a lacrosse box or field, you will be missed.

Yours in Lacrosse,

Nichola Manning

- **2022 BC Summer Games.** July 21-24, 2022 - BC Summer Games (Prince George). A huge thank you to Greg Toll and Jane Boutilier, PG Sport Chairs John Stevens (Field) and Tammy Brown (Box), Bryan Baxter, Dave Showers, Deb Heard, BCLA Zone representatives, coaches, officials, players, parents and local volunteers. Your efforts made this Games special for so many participants. 8 Box and 6 Field teams competed over the 3-day event. Congratulations to all that competed – we hope you had an incredible Games experience. In the 2022 Games, we again had an All-Indigenous Box Team (which the BCLA piloted in 2018). This has been a template for other sports and we envision this project to continue in 2024. The BCLA is currently going through the core sport review for the 2024 Games. For scores and results, see the [BCLA BC Summer Games page](#).
- **Medal Results:**
  - Box – GOLD Zone 6; SILVER Zone 3; BRONZE Zone 4
  - Field – GOLD Zone 3; SILVER Zone 6; BRONZE Zone 4
- **Canada Summer Games – Niagara, Ontario.** The 2022 Canada Summer Games (CSG) took place August 6-21, 2022 in Ontario's Niagara Region. Congratulations to the 17U Female and Male teams that competed at the Games. Our girls brought home silver (2-1 loss to ON) while the boys won gold (7-6 win vs ON). Thank you to BCLA VP Performance, Gord Kask, Team BC Box Coordinator, Darcy Rhodes, coaches and team managers Katrina McCurrach and Randy Clough for your incredible work with your teams. All responses from our Team BC team and

Chef de Mission were very positive and you all represented BC proudly! A big thanks to the BC Games Society, Jarrett Poitras (Team BC Program Co-ordinator); Adam Powell (Chef de Mission); and to Rick Brant & Lara Mussell (ISPARC) for your guidance and support. Let's hope Lacrosse is invited back in 2025.

- **17U Female staff:** Ashley Bull (HC), Naomi Walser (AC), Darcy Rhodes (AC) and Katrina McCurrach (AC and Team Manager)
  - **17U Male staff:** Gerry Van Beek (HC), Grant Hamilton (AC), Darcy Rhodes (AC), Ryan Williams (AACP) and Randy Clough (Team Manager)
  - View [CSG Box Games here](#). See [2022 CSG website here](#).
- **Team BC High Performance Programs.** All high-performance programs were permitted to continue through Covid restrictions. We were able to engage numerous athletes and keep them active through a restrictive period. Thank you to the entire **BCLA Team BC** staff under the guidance of Gord Kask, VP Performance Programs, and the leadership Team BC Coordinators Mitch Cavallarin (Field) and Darcy Rhodes (Box) for shaping our high-performance programming. A big thanks to Rita Stroup for managing the 5 Women's Field teams along with an entire team of parent assistants. All involved with Team BC must be applauded for their commitment. I apologize if I missed someone in our thanks!
  - **Team BC BOX-** Congratulations to Team BC Box head coaches Chris MacKay (12U Boys), Rob Williams (14U Boys) and Bianca Santucci (14U Girls) and their coaching staffs for representing BC well at Box Nationals. Thank you team managers (Tara Miletich, Gina/Jason Goller & Tim Oosterhof/Ken Hoff) for their hard work coordinating their teams and offering an incredible Nationals experience. Everyone made new friends, teammates and everlasting memories. Great job!
  - **Box Nationals Results:**
    - 14U Girls: Silver (5-2 loss to Ontario)
    - 14U Boys: Silver (5-4 loss to Ontario)
    - 12U Boys: Silver (8-5 loss to Ontario)
  - **Team BC FIELD.** Congratulations to all Team BC head coaches Ashley Bull, Harlowe Steele, Tyler MacLeod, Danita Stroup, Sydney Hara, Debbie Phillips, Matthew Black, Richard Cambrey, Ty Yanko, Matt Sobey, Ian Radonich, John Hofseth and their coaching staffs for representing BC well at tournaments and Nationals. After a 2-year hiatus, Women's and Men's Field Nationals were back in Sherwood Park and Fredericton respectively. Our U19 Women team won bronze at the Jenny Kyle Cup Nationals. This team decided to assist Team Quebec and mixed teams in their final game to help this up and coming program build skills. Our U18 & U15 teams were model programs and competed incredibly well winning double golds!! This was the first time Team BC has swept Field Nationals. A huge thanks to Mitch Cavallarin and all team managers Rita Stroup, Jenn McKinnon, Dawnell Schumacher, Nicole Schenato, Sherri Borg, Alex Vanichuk, Kara Eastgate, Karen Smith, for your commitment to excellence. Thank you to Dave, Deb and Matt for all the work behind the scenes.
  - **Field Nationals Results:**
    - U19 Women's Field: Bronze (friendly versus Quebec)
    - U18 Men's Field: Gold (16-5 win over Ontario)
    - U15 Men's Field: Gold (13-5 win over Ontario)

## **2022 Special Session Report – Team BC Box Lacrosse Program - Darcy Rhodes**

It was a busy summer with Nationals, BC Summer Games and Canada Summer Games. There were a lot of hours put in by many individuals. Below I would like to highlight and thank the Coaches and Managers for each team.

Team BC Female 17U CSG – Head Coach: Ashley Bull Assistant Coaches: Naomi Walser, Katrina McCurrach, Darcy Rhodes

Team BC Female 14U – Head Coach: Bianca Santucci Assistant Coaches: Debbie Phillips, Marc Downey Manager: Tara Militech

Team BC 12U- Head Coach: Chris McKay Assistant Coaches: Curt Malawsky, Rich Catton Manager: Tim Oosterhoff, Tim Hoff

Team BC 14U- Head Coach: Rob Williams Assistant Coaches: Brian Smith, Conor Abrams, Rick Williams, Jason Goller Manager: Gina Goller

Team BC 17U CSG – Head Coach: Gerry Van Beek Assistant Coaches: Grant Hamilton, Darcy Rhodes, Ryan Williams Coach/Manager Randy Clough

A special thank you to the coaches and evaluators that stepped up to take part in the 2022 District and Provincial Camps. I would like to thank Ryan Williams who has taken a bigger role in the program with helping in recruitment of coaches, evaluators and players. His knowledge of the game and history of the sport enhances the program. These passionate individuals should be commended for their tireless work scouting, recruiting and preparing for the Team BC training camps.

Other key people that need to be recognized are the BCLA staff members Matt Doherty, Jeff Gombar, Deb Heard and Dave Showers for their work in pre-planning for registration, camp coordination, social media etc. Thank you to the Team BC Committee, with direction from Gordon Kask VP of Performance Programs, Russ Shepard Chair (BCLCTSG), Rob Arden Vice Chair Minor (BCLCTSG) and Gord McIntosh (Minor Directorate Chair). Your tireless work and effort was appreciated throughout the process.

I would like to thank local volunteers with managing and coordinating these camps.

## **2022 Team BC Field Lacrosse Report – Mitch Cavallarin**

The goal for Team BC in the 2021-2022 Season was to re-establish our High Performance Program following a season where we were only able to train locally.

We had over 400 athletes participate in our Men's and Women's Provincial Try Out Camp in July 2021.

4 Men's Teams (U14 / U15 / U16 / U18) and 5 Women's Teams (Middle School / Freshmen / Sophomore / Junior / Senior) were selected to train and compete at elite events across the United States.

Our teams safely traveled in November to Arizona, California, Delaware, and Texas.

Unfortunately, our Fall/Winter Season was cut short due to the Omicron variant and our teams were not able to travel in January to Palm Springs, California.

The Annual NCAA National Letter of Intent Signing Event that normally occurs at the BCLA office was not able to occur in person again this year due to COVID-19 restrictions.

We celebrated our athletes (12 females - 9 males) virtually as they received their official scholarship offers to attend a variety of Colleges and Universities in the United States.

Team BC Field Lacrosse Program currently has over 100 Female and Male athletes actively competing at the collegiate level.

Following our Fall/Winter season, we started our tryouts for the 2022-2023 Season and have selected athletes for 5 Men's Teams (U13 / U14 / U15 / U16 / U18) and 5 Women's Teams (Middle School / Freshmen / Sophomore / Junior Senior).

Our Men's U15 and U16 teams traveled to Delaware in June to compete, our Women's Middle School and Freshmen teams traveled to North Carolina in June to compete, and our Women's Sophomore, Junior, and Senior teams traveled to Maryland in June to compete. We are very pleased with how well our teams showed at these elite events.

I am very pleased with the growth and development of both our Female and Male Lacrosse Coaches and Athletes! The Women's U19 Nationals and the Men's U18/U15 Nationals are scheduled to take place this summer.

Respectfully submitted,

Mitch Cavallarin

## **VP Performance Programs – Gordon Kask**

I would like to thank all the coaches and staff for the hard work and dedication over the past 3 years during Covid. There were some difficult moments throughout the pandemic, and they kept working hard to provide the best training possible to our athletes.

Through these difficult times, Mitch Cavallarin and Darcy Rhodes with all their support staff were able to keep the Field and Box programs moving in a positive direction.

Particularly rewarding was to see a transition of experience and leadership in our women's programs. Led by Ashley Bull, we are seeing what women's lacrosse will look like moving forward for Team BC.

Ashley coached the Canada Summer Games Team and the U19 Women's Teams this summer. In an unprecedented act of leadership Ashley and the coaching staff helped Team Quebec with skill development and game play advice to their players and coaches.

A special thanks to:

- Ashley Bull
- Bianca Santucci
- Sydney Hara
- Harlowe Steel
- Danita Stroup
- Naomi Walser
- Katrina McCurrach
- Debbie Phillips
- Rita Stroup

Great to see Female Head Coaches at the National Level.

After 30 years of coaching, managing and executive roles I am stepping away from lacrosse. I have appreciated all the people that I have worked with over the years, way too many to mention. Those that are in my heart you know who you are.

Thanks again,

Gordon Kask

---

This year started out with a lot of promise with a couple of new possible Associations looking to have teams play within BC in the upcoming 2022 Box Season. Princeton, through Jamie Graham, was able to start up a recreation league comprised mainly of Minor Lacrosse players, however, there were a few Seniors that also joined in on the fun. They were able to set up a drop-in schedule for the months of May and June. Hopefully we will see them start a full team in the Okanagan League this upcoming season. Still in discussion with Mike Carlson of Logan Lake to set up a U6 and U8 team all comprised of brand-new players to the sport of Box Lacrosse. We were in discussion with the association, talking about what would be required for equipment, what type of facilities they had, when we could possibly hold a general introduction to the sport, coaching clinics and possibly referee clinics. Hopefully we can move this forward and get the association moving forward now that the Covid restrictions have been somewhat relaxed. I was also in contact with a possible new program/team starting up in Master's Field Lacrosse in the Vernon area. Hopefully things start to improve in the March 2023 time frame, and we will be able to bring the interest back to these new programs and we can get things moving forward.

The Masters Box Tournament, which is held on the first long weekend in July, was cancelled again due to Covid issues and lack of facilities. We are pushing this forward for the 2023 season as many Masters are very keen on participating in this tournament. We saw several independent tournaments show up in 2022 such as the North Shore Tournament in July.

The Masters Field Program held in Port Coquitlam at Gates Park was able to have a full season this year under modified rules. The season started in June and finished up in early October. There were 8 teams participating in the season with roughly 18 players per team. The teams played every weekend from the start of June right through to its completion in October. Congratulations to all players who participated and especially to the Master's Field Executive who were able to put together a full season. The executive made the decision to continue with the Covid-19 modified rules of play as it sped up the game to the level that the Masters were able to compete at.

The Masters Box Season had a very successful season. The League started in October 2021 and ran through to February 2022. The League was again held at the LEC Fieldhouse as they were able to secure floor time for the full season. A couple of games had to be played on odd nights, but a great season was had by all participants. The league expects to have 6 teams again for the upcoming season and they welcome all interested players over the age of 35 to apply. No previous Box Lacrosse experience is required to play.

This year I spent a tremendous amount of time and focus on getting the Canada Games Coaching staff certified to the Canada Games criteria. BC was the only province that met all requirements for coaching. Congratulations go out to all the coaching staff as we were able to bring home the Boys Gold Medal and the Girls Silver Medal.

It was a much better year for everyone involved in the sport of Lacrosse in 2022 and with the great determination and perseverance of all the great people, volunteers and Associations that we have

in Lacrosse the sport rebounded to full league play in all disciplines. I am confident that we will be back on the floor and/or field with no restrictions again in the 2023 season.

In closing, I would like to thank our Executive Director, Jeff Gombar, for all his dedication and help through these very trying times. Jeff has done outstanding job and has stepped up to all the challenges that this season has brought forward. I would also like to thank Deb, Dave, and Matt for their continued help in supporting me in the many aspects of getting the game of Lacrosse promoted and supported throughout the province of BC.

Thank you,

**BCLA Vice President – Technical Programs Report: Dennis Quigley**

---

Despite the last two years of Covid, the Field and Box Lacrosse seasons of play have been successful. Coaching courses returned to the classroom and skills were taught in gyms. Classes were well attended for the most part but there are still associations that have coaches that don't attend to get the certification levels to coach. This is problematic because coaches need certification to be on the bench at any game. Discussions will need to be had with the Head Coaches of the offending associations to remedy this unacceptable situation. This problem is most acute in dealing with coaches in the Minor Directorate. Associations will need participate in dealing with the delinquent coaches.

The number of lacrosse officials is down and there is work needed in dealing with the attracting and retention of young officials. Games have been cancelled because of "no refs".

This year in our two Senior Divisions, the Junior A League and the Senior A League experimented with adopting some of the rules used in the NLL. The intent of the rule adoptions was to see if this would speed up the game. The Chair of Officials, Andy Watson also employed a 3-man referee system with much success. Obviously attracting more referees is the issue if we want to see the 3-man system evolve.

The other area of concern is the verbal abuse of officials by the coaches, players, and fans. At the Officials Special Sessions, it was brought up as a constant concern that needs to be dealt with more seriously. Adult coaches must act like adults in stressful situations when dealing with the referees. We are asking all the associations to take on the responsibility for the behaviour of their coaching staff at all times. Everyone must "step up" to stop the abusive behaviour. If we do not take action we will lose more referees and more games will be cancelled. Field lacrosse has started so let's get on board and start the movement to clean up our game and bring respect back to our interaction with the officials.

Thank you,

Dennis Quigley

2021/2022 has been challenging in terms of re-introducing our membership to what only can be called the “post Covid” experience.

We managed to lose some players due to our inability to “stage the season” like we had in the past but all of that appears to be behind us now.

Your executive has met regularly by “Zoom” throughout the pandemic and we continue to do so now.

Our B.C.L.A. office is staffed by industrious individuals who care about our game and without them we would be directionless.

I have seen a lot of our own board members “come and go” and although many have been hard to replace we have always come up with more than competent replacements.

I, for one, miss the AGM being held at Whistler but I am sure we will all be able to gather there again in the near future.

***“Some of us will do our jobs well and some will not, but we will all be judged on one thing: the result.” - Vince Lombardi***

Our Lacrosse community has passed the test navigating Covid – I hope the worst is behind us. We’ve been challenged, we’ve adapted and we’ve collectively worked harder than ever to offer Lacrosse activities for our members. Our Lacrosse volunteers are special for keeping our sport relevant in a time of crisis. You are the champions! Now we must continue to engage more people to volunteer and offer their precious time to help sustain and develop our great game for the long-term.

We successfully worked through the dark days of Covid and safely returned to sport. The Fall 2021-22 Field Lacrosse season was on, off, then opened up for good mid-February 2022. We offered safe activities, came back even stronger in the spring and held our first BCLA Field Provincials in over 2 years. Parents once again watched their children play the Creators Game. Box season took shape with few Covid-related issues. Associations hosted numerous tournaments -- playoffs and Provincials ran successfully province-wide. Lacrosse was back to normal like we once experienced. Our community made Lacrosse a safe place to play in order to live a healthy, active lifestyle. We have weathered the storm and it is you, the volunteers we commend for your resilience.

Development and school programs got sticks in kid’s hands once again with our hard-working member associations with clubs taking the lead. The BCLA stick loan programs in schools/recreation centres started up and more youngsters were introduced to Lacrosse. We were successful offering an abbreviated Indigenous development SPIRIT Program and we look to revamp our BC Wheelchair Lacrosse programming. Whatever level of lacrosse you participated in, with your commitment and passion, we have been able to do our bit of good to support each other and to further our goals and objectives as a passionate, creative, and dynamic organization.

**The BCLA Board.** Thank you for your continued support. We have managed to work through this and your direction helped keep us all safe. Thank you Board members – Gerry Van Beek, Angie Schwan, Nichola Manning, Gord Kask, Terry Mosdell, Dennis Quigley and David Jenkins. Your leadership and sound advice is always appreciated. Thanks to Russ Sheppard (VP Operations) for joining the Board at a time your time was valuable. A hearty thank you to Gord Kask for his leadership staying on an additional year as VP Performance. I couldn’t have managed without you!

**BCLA Provincial Leadership Group.** Field and Box Provincials were back! Leaders of all Directorates and Technical Support Groups were thrust into action and leaned on to coordinate these events and returned to experience these memorable competitions. Thank you all for being ready with contingency plans! Thank you for your encouragement and stewardship of the game of Lacrosse!

And thank you to all who served on **Commissions and Leagues**, as you oversee the governance, organization and opportunities for athletes at the various levels of Senior and Minor Box, and Men’s and Women’s Field Lacrosse in BC. All returned and experienced regular seasons. After 2 years of no Lacrosse, our volunteers were organized and ready to return. We came back strong and we’ll need everyone’s collective commitment to come back even stronger in 2022-23.

**The Vancouver Warriors.** The 2022 season marked a return to Rogers Arena. The BCLA and Warriors rekindled our partnership -- we coordinated in-game display promotions promoting all lacrosse activities and Wheelchair Lacrosse, engaged our members through social media, especially on jersey night! The Warriors offered a portion of their 2021-22 game 50-50 sales to the Warriors-BCLA Lacrosse on the Move Travel

Fund. The grant assisted teams traveling to Box and Field Provincials. Be sure buy your 50-50 tickets and know partial proceeds will support our athletes. Thanks to the Warriors for their support. Let's get out and support our pros and cheer them on this year!

**I-SPARC – Indigenous Sport, Physical Activity and Recreation Council.** We partnered with I-SPARC and their respective Regional Councils in 2021-22 for a 5 month program. We started in November and offered activities through various Covid restrictions. Our goal is to return and deliver our SPIRIT LACROSSE program, improve on our successes and grow our program. Thank you to Rick Brant, Lara Mussell, Michelle Webster and Joel Henry for continuing our partnership. Through the work of the Council, and in particular on the BCLA side, we looked to Dave Showers, Bryan Baxter and developers to return to the communities and teach lacrosse to our youth. BCLA and I-SPARC are planning to continue with our development of our current Hub communities in 2022-2023:

<u>Year 6</u>	<u>Year 5</u>	<u>Year 4</u>	<u>Year 3</u>	<u>Year 2</u>	<u>Year 1</u>
Chilliwack	Burns Lake	Alberni Valley	Cranbrook	Quesnel	Hazelton
Cowichan	Kamloops	Fort St. John			Kitimat
	Merritt	Nanaimo			Lillooet
	Victoria	Nisga'a			Prince Rupert
		Prince George			Vancouver
		Williams Lake			

Our plans will be to continue to focus our efforts on further promoting and developing the SPIRIT LACROSSE Programs to strengthen the Indigenous lacrosse program presence in our Hub communities. The goal is to develop on-going lacrosse programs within these communities and create opportunities to build relationships between the Indigenous communities and the local community Lacrosse associations.

**BC Sport Participation Program (BCSPP) – BC Wheelchair Lacrosse Program.** We were unable to offer the BC Wheelchair Lacrosse Program last year. BCSPP wheelchair program is a bi-lateral funding agreement between the Government of Canada, the Province of BC and the BCLA, and was administered through viaSport BC. We will restart our program slowly with Dave Showers taking the lead. He has done an incredible job over the years and we hope to return to those levels of activity. We have 12 sport wheelchairs and a trailer to move the chairs for introductory sessions for future programs in various communities around BC.

**Canuck Autism Network.** The Canucks Autism Network's Annual Sports Day Camp was held at BC Place on Sunday, June 12, 2022. Over 3,000 individuals participated in the various sporting activities. The BCLA and Vancouver Warriors teamed up to help teach lacrosse to those athletes with various levels of Autism, along with their parents. Thank you Dave Showers for your leadership and to Surrey's Sean Reid, Lance Herok and the Bantam girls from New West/Surrey for their help teaching lacrosse skills. Pro sport clubs participated and the BCLA teamed up with the Warriors with lacrosse stations for activities. We look forward to a return to the CAN programs next year.

**Sport BC/KidSport.** Many thanks to Sport BC's Rob Newman and their team for their leadership and advocacy for sport. I attend regular Sport BC Meet-ups with other PSOs learning and sharing advice. Gerry and Russ attended the 2022 AGM. The Athlete of the Year Awards and celebrations will return March 2023. All sports can, and should, support [KidSport BC with an online donation here.](https://kidsportcanada.ca/british-columbia/) <https://kidsportcanada.ca/british-columbia/> KidSport's IMPACT = \$1.3M to 4,164 kids in 150 BC communities to play 46 different sports. Annually, Lacrosse participants accesses KidSport funding for athlete registrations. The impact KidSport has had for the BCLA over the past year is immense. These totals include \$24,085 distributed to help 90 kids participate in Lacrosse, which was the 8th most-funded sport through KidSport in 2021. Please offer your support in volunteering or by donation.

**Sports with Balls.** Thank you to our unique network of 9 PSO leaders who connect regularly and have been sounding boards for each other, especially navigating Covid. Your guidance is appreciated.

**BC Gaming Policy & Enforcement Branch.** The BCLA received slightly more funding from the 2022 Community Grant Program. We appreciate the funding that the BC Gaming Policy & Enforcement Branch provides to our many members. It's important our members thank your local politicians (MLAs) for their support.

**viaSport BC.** viaSport continues to be the distributor of core funding from the Province of BC for the various funding pots and we appreciate their continued support. Our core funding stayed consistent for the 2021-22 Government fiscal period. Thank you to viaSport for the leadership in guiding the sport sector through Covid. You helped us navigate the challenges to keep all participants safe while continuing an active lifestyle. Thank you to CEO Charlene Krepiakevich, Jared Kope and the viaSport team for your continued support.

**BC Hosting Grants.** viaSport BC permitted the BCLA to apply the 2020 BC Hosting Grants awarded for supporting the 2022 Minor Box Provincials (Vernon) and Minor Box Nationals (Langley).

**School Sport Credits.** We will continue to administer the School Sport Credit program for athletes, coaches and officials. Our members appreciate this opportunity for additional credits for high school. Click [here for more school sport credit information](#).

**2022 Scholarships/Bursary.** With the passing of Gene Regier, the Regier family created a new BCLA scholarship in memory of longtime volunteer, Gene Regier. We had excellent candidates for the various Scholarships and Bursary Awards again this year. Congratulations to the following:

**Ted Fridge Scholarship Winner – Rowan Birrell (North Vancouver)**

**Dorothy Robertson Bursary Winner – Keira Martin (Nanaimo)**

**Wayne Goss Scholarship Winner – Amy Ralph (Langley)**

**Gene Regier Scholarship Winner – Reece Whitehead (Robson)**

**Joel McCready Family Scholarship Winner - Amelia Procyk (Coquitlam)**

Congratulations to the 2022 BCLA Zone Players of the Year & scholarship recipients! All athletes received a custom jacket and a \$500 bursary. Overall winner, Kara Goertz, received a \$1000 bursary.

**Zone 2: Caleb Whiting (Kelowna)**

**Zone 4: Kara Goertz (Port Coquitlam)**

**Zone 5: Rylan Weisbrod (Delta)**

**Zone 6: James Hall (Saanich)**

**2022 BC Summer Games.** July 21-24, 2022 - BC Summer Games (Prince George). A huge thank you to Greg Toll and Jane Boutilier, PG Sport Chairs John Stevens (Field) and Tammy Brown (Box), Bryan Baxter, Dave Showers, Deb Heard, BCLA Zone representatives, coaches, officials, players, parents and local volunteers. Your efforts made this Games special for so many participants. 8 Box and 6 Field teams competed over the 3-day event. Congratulations to all that competed – we hope you had an incredible Games experience. In the 2022 Games, we again had an All-Indigenous Box Team (which the BCLA piloted in 2018). This has been a template for other sports and we envision this project to continue in 2024. The BCLA is currently going through the core sport review for the 2024 Games. For scores and results, see the [BCLA BC Summer Games page](#).

#### **Medal Results:**

Box – GOLD Zone 6; SILVER Zone 3; BRONZE Zone 4

Field – GOLD Zone 3; SILVER Zone 6; BRONZE Zone 4

**Canada Summer Games – Niagara, Ontario.** The 2022 Canada Summer Games (CSG) took place August 6-21, 2022 in Ontario's Niagara Region. Congratulations to the 17U Female and Male teams that competed at the Games. Our girls brought home silver (2-1 loss to ON) while the boys won gold (7-6 win vs ON). Thank you to BCLA VP Performance, Gord Kask, Team BC Box Coordinator, Darcy Rhodes, coaches and

team managers Katrina McCurrach and Randy Clough for your incredible work with your teams. All responses from our Team BC team and Chef de Mission were very positive and you all represented BC proudly! A big thanks to the BC Games Society, Jarrett Poitras (Team BC Program Co-ordinator); Adam Powell (Chef de Mission); and to Rick Brant & Lara Mussell (ISPARC) for your guidance and support. Let's hope Lacrosse is invited back in 2025.

**17U Female staff:** Ashley Bull (HC), Naomi Walser (AC), Darcy Rhodes (AC) and Katrina McCurrach (AC and Team Manager)

**17U Male staff:** Gerry Van Beek (HC), Grant Hamilton (AC), Darcy Rhodes (AC), Ryan Williams (AACCP) and Randy Clough (Team Manager)

**2020-2024 BCLA Strategic Plan.** We are in year 3 of our Strategic Plan. The 2020-24 document is our pathway for the next 2 years. Through the past 2+ years, Covid activities skewed some of the data and the effects reflected on groups not returning to Lacrosse. Nichola Manning and the Board confirmed Drew Mitchell (Sport 4 Life) will return to facilitate our next strategic plan and planning session. The first phase meeting will be planned for Nov. 2022. BCLA's current plan runs through to 2024. Thank you Drew for continuing to guide us through the next 5 years of Lacrosse.

**Lacrosse Canada (LC).** BCLA delegates attended the in-person LC SAM May 2022 and represented BC well. BC volunteers have stepped up to be part of LC Sectors/Committee/Boards – Dirk Rachfall (M-Field Sector) and Bryan Baxter (Director of Domestic Development/Nationals Committee). Thank you to outgoing W-Field Sector Chair, Brad Hara for your support. As well, Andy Watson and Russ Sheppard served on their respective Officiating and Coaching Committees, and Gord McIntosh, Dave Wilkie, Beth McLucas, and Kellie Ohlmann all served as members of their respective Sectors (Directorates). Gerry Van Beek has served as the BCLA Representative, sits on LC Membership Council, Nominations Committee and is a on the LC Board of Directors. Thank you to all for volunteering and representing BC admirably at the National level. **LC Member Association (MA) Executive Director's group.** The LC Executive Directors have formed a group that meets monthly to share ideas and learn from each other. Bridget Pottle (SLA) coordinates our meetings.

**Team BC High Performance Programs.** All high performance programs were permitted to continue through Covid restrictions. We were able to engage numerous athletes and keep them active through a restrictive period. Thank you to the entire BCLA Team BC staff under the guidance of Gord Kask, VP Performance Programs, and the leadership Team BC Coordinators Mitch Cavallarin (Field) and Darcy Rhodes (Box) for shaping our high performance programming. A big thanks to Rita Stroup for managing the 5 Women's Field teams along with an entire team of parent assistants. All involved with Team BC must be applauded for their commitment. I apologize if I missed someone in our thanks!

**Team BC BOX-** Congratulations to Team BC Box head coaches Chris MacKay (12U Boys), Rob Williams (14U Boys) and Bianca Santucci (14U Girls) and their coaching staffs for representing BC well at Box Nationals. Thank you team managers (Tara Miletich, Gina/Jason Goller & Tim Oosterhof/Ken Hoff) for their hard work coordinating their teams and offering an incredible Nationals experience. Everyone made new friends, teammates and everlasting memories. Great job!

**Box Nationals Results:**

14U Girls: Silver (5-2 loss to Ontario)

14U Boys: Silver (5-4 loss to Ontario)

12U Boys: Silver (8-5 loss to Ontario)

**Team BC FIELD.** Congratulations to all Team BC head coaches Ashley Bull, Harlowe Steele, Tyler MacLeod, Danita Stroup, Sydney Hara, Debbie Phillips, Matthew Black, Richard Cambrey, Ty Yanko, Matt Sobey, Ian Radonich, John Hofseth and their coaching staffs for representing BC well at tournaments and Nationals. After a 2-year hiatus, Women's and Men's Field Nationals were back in Sherwood Park and Fredericton respectively. Our U19 Women team won bronze at the Jenny Kyle Cup Nationals. This team

decided to assist Team Quebec and mixed teams in their final game to help this up and coming program build skills. Our U18 & U15 teams were model programs and competed incredibly well winning double golds!! This was the first time Team BC has swept Field Nationals. A huge thanks to Mitch Cavallarin and all team managers Rita Stroup, Jenn McKinnon, Dawnell Schumacher, Nicole Schenato, Sherri Borg, Alex Vanichuk, Kara Eastgate, Karen Smith, for your commitment to excellence. Gord Kask continued his leadership of our high performance programs. Thank you to Dave, Deb and Matt for all the work behind the scenes.

**Field Nationals Results:**

U19 Women's Field: Bronze (friendly versus Quebec)

U18 Men's Field: Gold (16-5 win over Ontario)

U15 Men's Field: Gold (13-5 win over Ontario)

**Canadian Lacrosse Hall of Fame 2022 Inductees.** The Canadian Lacrosse Hall of Fame announced the 2022 class of inductees, including six Players, Rich Catton, Blane Harrison, Trish Nicholson, Josh Sanderson, Troyhann Santos and Kaleb Toth; and, three Builders Rey Comeault, Doug Luey and Joanne Stanga; and one Official, Bill Fox. A big congratulations to our BC inductees in Trish Nicholson, Reynold Comeault, Rich Catton and Kaleb Toth. The inductee dinner is November 12.

**To our BCLA Registrars** – Field and Box registrations was mainly back to nominal this season with plenty of assistance to member associations through the registration process. Corinne Perriman (Minor Box/Field Lacrosse) and Judy Regier (Senior Box) – thank you for all of your patience, your guidance and for the ongoing work that you do on behalf of our members!

**To our BCLA Staff** – Thank you to the best team a sport can have in Debbie Heard (Administrative Assistant), Dave Showers (Technical Director) and new addition Matt Doherty (Marketing & Communications). These individuals are the glue and your dedication does not go unnoticed – without these three, we'd have nothing! We succeeded in keeping Lacrosse relevant through Covid; we adapted and were committed to our members to just find ways to get back and play Lacrosse; and most importantly, we found a way to keep the staff employed. Thank you for your hard work, loyalty and commitment. Our staff are gems. Thanks for being there when we needed you the most!

We thank the many **national and provincial partners** who have helped us through the pandemic. We look to rebuild our relationships with **sponsors and advertisers** to a level we once experienced pre-pandemic, but it will take some work. Thanks to Warrior, Xtreme Threads, New Balance and Mountain Edge Lacrosse for your support. We would like to especially acknowledge the following for their generous provincial support: The Province of BC, and in particular, the Ministry of Tourism, Arts, Culture and Sport, the Sport Branch, the BC Gaming Policy & Enforcement Branch, the Government of Canada, viaSport BC, the BC Games Society, Sport BC and KidSport, Lacrosse Canada, Heritage Canada, and the Canadian Lacrosse Foundation. Thanks to all of you for your ongoing support!!

**To our BCLA Members** – Thank you BC Lacrosse Association Community for your passion keeping Lacrosse on the fields and floors across British Columbia in our new normal. You keep our sport moving in the right direction. Your hard work is admirable and much appreciated by many.

**“Success is based upon a spiritual quality, a power to inspire others.”**

**- Vince Lombardi**

**Thank you!**

**2022 BC Lacrosse Association Annual General Meeting  
October 2022  
BCLA Technical Director's Report: Dave Showers**

2022 – We are BACK!!!! Whether it was in Maple Ridge, Langley, Delta, Vernon, Coquitlam or Port Coquitlam for the Provincial Games or in local arenas and fields around the province, I would like to thank every volunteer, coach and official for working so hard to help get the athletes back into the arenas and onto the fields playing our sport.

In this report, I have highlighted the successes and activities that the BC Lacrosse Officials' Technical Support Group (BCLOTSG) and the BC Lacrosse Coaches' Technical Support Group (BCLCTSG) had in the last year, along with our various programs and statistics.

I have so many people to thank for their efforts, hard work and dedication to the sport of lacrosse. Without these people and all our amazing volunteers, we would not be an Association. They are listed in my Coaches and Officials Special Sessions write-ups.

**Officials Training Statistics:**

In this report I have gathered data from September 2021 to April 2022. My role with the BCLOTG includes the co-ordination of the clinics and preparation of resource material.

---

**BOX Referee Clinics**

The BCLOTG offered **61 Box** across BC in 2022, with a total of **677** overall participants being trained and re-trained (these totals differ from my Officials Special Session report, as the 3-5 official numbers just came in).

Entry/Level 1 = **415** attended.  
Level 2 = **186** attended.  
Level 3 = **42** attended.  
Level 4 = **16** attended  
Level 5 = **18** attended

**FIELD Officials Clinics**

The BCLOTG offered **12 Field** clinics in 2021/2022; with a total of **138** overall participants being trained and re-trained.

FL1 = **83** attended  
FL2 = **34** attended  
FL3-5 = **21** attended

**WOMEN'S FIELD Umpire Clinics**

The BCLOTG offered **5 Umpire Field** online clinics across B.C. in 2021/2022; with a total of **58** participants being trained and re-trained.

**Total Number of Clinics 78 - Officials attending clinics: 873.**

## Coaching Training Statistics:

**Online Coaching Program-** Going into the fourteenth year of the program, we have seen the number of registered Coaches in the program grow to **6,767** participants. For certification purposes this program allows coaches to login and complete their pre-clinic assessment, search and register for nearby coaching clinics. If you are already a Coach, with training, you can still register for the online program and take advantage of the practice planners, videos, drill library etc. All information can be found on the BCLA website.

### FIELD Coaching Clinics

The BCLCTG offered **13** In-Person coaching clinics, **1** Zoom field coaching clinic and **2** On-Field sessions from August 2021 to December 2021. There were **11** FCMD clinics (Field Community Development – Level 1), **2** FCPI (Field Competitive Introduction – Level 2) and **1** WFCMD clinic (Women’s Field Community Development – Level 1).

The total number of participants was **199**:

- FCMD – 117** attended (17 No Shows)
- FCPI – 24** attended (1 No Show)
- WFCMD – 28** attended
- FCMD – Online – 9** attended
- FCMD – On-Field Only – 21** attended (1 No Show)

There are still a number of Coaches who still require the On-Field portion after attending a Zoom Classroom session over the past few seasons.

### BOX

The BCLCTG offered **33** box coaching clinics from March 2022 – June 2022. We ran **20** CMD Clinics (Community Development – Level 1), **13** CPI Clinics (Competitive Introduction – Level 2) and **3** On-Floor only sessions. The total number of participants was **743**, which is 57 more than last year:

- **CMD – 372** attended (73 No Shows).
- **CMD – Joined clinic for On-Floor portion only - 52**
- **CMD – On-Floor Session - 26**
- **CPI – 179** attended (19 No Shows)

One CPI session in the Okanagan was cancelled due to the Facilitator testing positive for COVID.

One other CPI session was planned, but cancelled due to lack of attendees.

**Our maximum clinic size in 30 for CMD and 25 for CPI, so we had to have waitlists for over half our clinics. Unfortunately we had 92 coaches’ sign up for clinics and not attend. So those on the waitlist lost out.**

---

**Provincial Championships –** The Field Provincial Championships were held in Maple Ridge and Langley; the Box Provincial Championships were held in Coquitlam, Delta, Port Coquitlam and Vernon. I was fortunate to be able to attend the majority of them and was amazed by the dedication, long hours and professionalism of all the volunteers I was able to work with. From the hospitality, venues and overall organization, these provincials were top-notch.

We had a few issues with our Medical Coverage, as there were a limited number of available practitioners available for field and major staff changes a week before the box Provincials. Things were mixed up/lost in the process, but I’ve been promised that last year was a one-off and our coverage will be as consistent as it has been in the past.

**BC Summer Games** – I was fortunate enough to be able to attend the BC Summer Games in Prince George and witness lacrosse at its best. Top Zone players from around British Columbia battled for gold on the fields and in the boxes. These athletes, coaches, officials and volunteers did an amazing job representing the BCLA and promoting the sport of lacrosse. Thank you to all those Coaches and Officials who gave up their time to attend the event and take part in this overall experience (and to the coaches for sleeping on the floors in the schools).

Once again, the BC Games Society gave us the opportunity to have an All-Indigenous team replace Zone 7 in the box lacrosse competition. Coach Bernard (Buzz) Manual, Assistant Coach Lorne Sam and Assistant Coach Clinton Kaboni, with the help of Bryan Baxter, put together a team of athletes from all over British Columbia. Before each game, both teams came together for a small ceremony, run by Coach Manual.

A BIG THANK YOU to the BC Summer Games for streaming each game onto the BCGAMESTV page and to Jay Janower and Global News for running a great story on the All-Indigenous Team -

<https://globalnews.ca/video/9010481/bc-summer-games-all-indigenous-lacrosse-team/>

**Canucks Autism Network** – The BCLA teamed up with the Vancouver Warriors to introduce our amazing sport at the Canucks Autism Network's Day Camp at BC Place on Sunday, June 12<sup>th</sup>. I, along with five Vancouver Warriors players were joined by Sean Reid, Lance Herok and seven New West/Surrey Rebels Female Bantam players. Four stations were set-up to help introduce the four main skills of lacrosse, with some fun games in-between.

**SPIRIT of Lacrosse Program** - Working in partnership with I-SPARC and the respective Regional Councils, the goal of this program is to develop on-going lacrosse programs within Indigenous communities and create opportunities to build relationships between the Indigenous communities and the local community lacrosse associations. The program is open to all youth of Indigenous descent. We offer 6-10 SPIRIT Lacrosse sessions designed for youth ages 5-12 at no cost to the participants. All equipment was provided for the use of the participants. Participants who completed the program received a SPIRIT of Lacrosse t-shirt.

With a reduced SPIRIT schedule timeframe (4.5 months) we were able to successfully run the program in four Hubs: Chilliwack, Cowichan Valley, Lytton and Nanaimo. In these four SPIRIT of Lacrosse Program locations, we were able to introduce the sport of lacrosse to 57 Indigenous athletes (23 girls and 34 boys).

Social Media advertisements were posted for the SPIRIT Sessions and posts were added onto the SPIRIT Instagram and Facebook page from the Chilliwack Sessions. These were then shared on the BCLA Instagram page. Hoping to continue to increase our Social Media footprint moving forward.

School visits are conducted in conjunction with the SPIRIT Lacrosse program. Athletes for the program are recruited through these visits and we managed to visit 27 schools in various areas of the province. Through the school program, 4,126 students (995 Indigenous students) picked up a lacrosse stick. These visits are vital not only to the recruitment of athletes for the SPIRIT Lacrosse Program, but also for the education of the origin and cultural significance of the Creator's game.

We were able to videotape sessions at Bayview Elementary School for training purposes (with permission from the school). We now have seven videos broken down for training purposes. Videos cover History, Stick, Scooping, Cradling, Catching, Shooting and Additional Hand Positioning. These videos will be available to any HUB Champions who needs assistance being trained to run classroom sessions. Participants were blurred out for safety/protection reasons. Videos were uploaded to the SPIRIT of Lacrosse YouTube Page, but are unlisted.

A BIG THANK YOU to Bryan Baxter for all his hard work and commitment to this program. He has decided to step down from the SPIRIT Program, but thankfully will still be involved with helping run coaching clinics and other training sessions.

---

**BC Wheelchair Lacrosse** – Hopefully 2023 will shine a bright light on us and allow us to once again offer this program. I am saving and working on finding a vehicle that will be able to tow the wheelchair trailer (which mine went kaput). I was fortunate enough to be invited to run a session at Fairview School in Nanaimo (May 25) as part of the WheelKids program. I just needed to bring one chair, as WheelKids provided the others for the athletes. I am hoping that there will be more opportunities of working with group like this in the future.

The BC Wheelchair Lacrosse will continue to advertise on its three Social Media accounts including Instagram (bcwheelchairlacrosse), Facebook (@BCWheelchairLacrosse) and Twitter (@BCWheelchairLax).

---

A final THANK YOU goes out to the BCLA Executive and great staff. You make coming into work an enjoyable experience.

**BCLA Marketing & Communications Director/Team BC Director Report: Matt Doherty**

The 2022 BC Lacrosse Annual General Meeting marks the end of my first full lacrosse season with BC Lacrosse as Marketing & Communications Director and Team BC Director. I've learned a lot and have thoroughly enjoyed this past field and box lacrosse season and look forward to many more seasons.

**In my report I will review:**

- BC Lacrosse Association Social Media
- Team BC Lacrosse Social Media
- BC Lacrosse Monthly Newsletter
- 2022 BC Lacrosse Events
- 2022 Lacrosse Canada Events
- 2022 Team BC Lacrosse Program – Camps & New Registration/Payment System
- 2022 BCLA Partnerships

**BC Lacrosse Association Social Media Accounts:**

**How the BCLA is supporting our membership on social media**

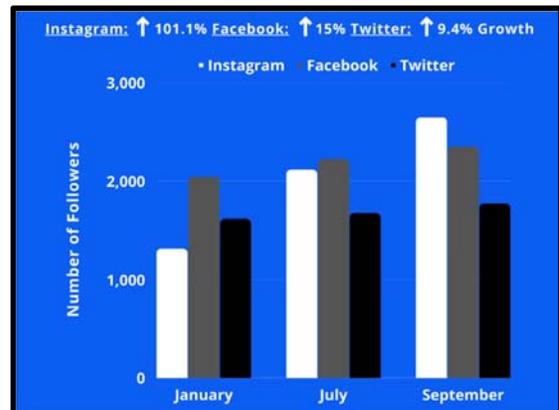

- In 2022 the BC Lacrosse Association has been regularly posting on our social media accounts to keep our members up-to-date on new lacrosse information, to promote, market and grow the game of lacrosse and to interact with our members.
- Early in 2022 we communicated to members to tag BC Lacrosse on Instagram [@BC\\_Lacrosse\\_Association](#) so that we could repost your content on our Instagram and Facebook stories.

- The result for the clubs that tagged BC Lacrosse on Instagram was that their content was able to reach a much larger audience than if it was only posted on their social media accounts.
- If you have any questions or any ideas of how we can better engage with clubs, associations and leagues on social media, we are here to help. The BCLA is here to promote, market and grow the game of lacrosse in the Province of British Columbia and if we work together, we can be much more effective.

**BC Lacrosse Social Media Page Visits January to September 2022**

- As you can see in the graph to the right with an increase in content posting in 2022 the BC Lacrosse Association's social media pages had a significant increase in page visits.
- March and July are the two months of the year in 2022 that had the most page visits, which is related to the months of the 2022 BCLA Field Lacrosse Provincials and the 2022 BCLA Minor Box Lacrosse Provincials.

**BC Lacrosse Association Content Posted January 2022 to September 2022**

- As you can see in the graph to the right, BC Lacrosse posted content on social media in a variety of different sectors, events and categories.
- It is a priority of BC Lacrosse to ensure that all of our membership is represented on our social media accounts.
- If you have any great content ideas please do contact us throughout the season.

**Team BC Lacrosse Social Media Accounts:**

**Follow Team BC Lacrosse on Social Media**

- In May 2022 Team BC Lacrosse launched one singular social media account on Instagram and Facebook to promote all sectors of Team BC Lacrosse.
- If you play for Team BC Lacrosse or are Team BC Lacrosse alumni and are regularly playing elsewhere and want to be featured on our Instagram story tag us [@TeamBC\\_Lacrosse](https://www.instagram.com/TeamBC_Lacrosse).
- If you have any questions or any ideas of how we can better engage with our Team BC Lacrosse athletes and alumni on social media, we are here to listen.

**BC Lacrosse Monthly Newsletter:**

- In 2022 BC Lacrosse launched a new communications initiative: the BC Lacrosse Digital Newsletter that has been released monthly since February.
- The monthly newsletter has been a great way of providing our membership with a monthly snapshot of what lacrosse news, competitions, events have happened and what is up-coming.
- This communication channel has provided the BCLA with another great way of keeping our membership informed and up-to-date on everything lacrosse related in the Province of BC, as well another channel for recognizing the successes of our members.

**2022 BC Lacrosse Events: Field Lacrosse Provincials**

- In 2022 BC Lacrosse hosted two Field Lacrosse Provincial Championship events. Also hosted was the U11 Field Lacrosse provincial tournament.
- New to these events was posting all provincial game scores on the BC Lacrosse social media accounts, in a time effective manner with action shots of each team.
- Also posted was each medal winner score and team photo for each provincial championship.

**League Apps Registration, Payment & Team Management Software**

- In 2022 Team BC Lacrosse utilized a new registration, payment and team management software called League Apps.
- This implementation began with our Minor Box Nationals teams and our Canada Summer Games Box teams and has now begun with our Field teams with our U13 Men's Field Team utilizing the software.
- This software system has enabled Team BC Lacrosse to streamline our registration and payment system for our teams through payments using a credit card as well as the ability to setup optional automatic credit card payments for up-coming athlete payments.
- This system also allows Team BC Lacrosse to capture all of the information that we need from each of our athletes including, lacrosse data, health and medical information, contact information, apparel and gear sizing and more.

**2022 BC Lacrosse Partnerships:**

**Vancouver Warriors**

- BC Lacrosse partnered with the Vancouver Warriors to generate BCLA general fundraising revenue from four regular season Vancouver Warriors games 50/50 proceeds, to promote BC Lacrosse during Vancouver Warriors Home Games and to provide the BCLA Membership with special member pricing for all Vancouver Warriors Home Games. We look forward to continuing to work with you.

**Warrior Sports Canada**

- Warrior Sport Canada continued to support BC Lacrosse by sponsoring our Field and Box Provincials. Warrior provided us with our game balls for all of our provincial games, as well as MVP packages (Stick heads, backpacks, hats, t-shirts) and our fair play award hats. We look forward to continuing to work with you.

**Silver Ridge Promotions**

- Silver Ridge Promotions Dean Whitson did an incredible job with being prepared for the task of creating and selling the official apparel for the 2022 BCLA Field and Box Provincials. We look forward to continuing to work with you.

**Xtreme Threads**

- Xtreme Threads was the Provincial Game MVP sponsor for the 2022 BCLA Field Provincials and 2022 BCLA Minor Box Provincials. We look to continuing to work with you.

**Mountain Edge Lacrosse**

- Mountain Edge Lacrosse has been a great partner to BC Lacrosse providing us with our apparel and gear for our Team BC Lacrosse Program. Thanks to Mike and Jaana for your hard work. We look forward to continuing to work with you.

**Impact Canopies**

- BC Lacrosse recently partnered with Impact Canopies to provide us with new branded event marketing materials that will raise the profile of our events in 2023 and will provide our members with preferred partner pricing for all of your tenting, canopy and signage needs. We look forward to working with you.

**Thanks to All for a Great Lacrosse Season!**

**BC Lacrosse Staff & Board of Directors**

- A sincere thanks to my BCLA staff colleagues in welcoming me to the team in my first year with the organization. You have been very helpful, knowledgeable and made coming to work everyday fun! The BCLA staff is extremely hardworking and have significant passion for the work they do, which shows in the programs, services and events that we run.
- Thanks to the BCLA Board of Directors for your leadership and guidance during what was an intense reopening of sports activities. It is important to remember that the Board of Directors are volunteers and that they give up their time to develop and govern the sport of Lacrosse in BC.

**Team BC Lacrosse Coaches & Managers**

- Thanks to all of our 2022 Team BC Box & Field Lacrosse Coaches and Managers for the time that you give to the program. Our athletes are very fortunate to have such passionate and caring Coaches and Managers to help them along their high performance journey.

**Club Volunteers & Coaches**

- Club volunteers and coaches are the heart and core of our sport in this province. Without these volunteers we wouldn't be able to operate. A sincere thanks to the people who volunteer countless hours to their local club whether or be as a club executive, coach or parent volunteer. Keep your passion for the sport of lacrosse going!

**Officials**

- Thank you to the Men and Woman who contribute to our sport by officiating. Your passion for the game is clear in every game you officiate and I would like to thank you for your contributions.

Mainstream Programming

Lacrosse is slowly coming back into the forefront as we begin to leave the pandemic behind us. I want to thank everyone on the BCLA executive and the office for their tireless work in getting lacrosse back on track.

During the course of the 2021 and 2022 lacrosse year I conducted 1 CMD Box coaching clinic in person with a total of 22 coaches trained in the classroom portion of the CMD clinic. During the on floor session of this clinic, 6 coaches who had previously attended an online clinic were also trained.

I attended some of the VIMLC and the VIFLL meetings during the course of the year. During my attendance at these meetings I relay any pertinent information coming from the BCLA and CLA offices pertaining mainly to coaching, Team BC and Indigenous Development.

Indigenous Development

In partnership with the Indigenous Sport, Physical Activity and Recreation Council (I SPARC) we continued on a mandate of conducting Spirit Lacrosse Programs throughout BC. The program is modeled after the Lacrosse Fits Program that was developed by Kylo Harris and Dave Little out of Winnipeg. The program uses lacrosse skills and Fundamental Movement Skills as the backbone of the program.

There were several Spirit Lacrosse Programs conducted this year as well as school visits in Ashcroft, Lytton and Lillooet.

Assisted with the Team Indigenous for the BC Summer Games. It has been a real honour and privilege to be able to put an all Indigenous team into these past 2 games.

I have retired from the Indigenous Development role with BCLA and will continue to do coaching clinics as both an MCD and Coach Developer

Personal Development

I have completed all parts of the Competition Development coach training and now only require the evaluation process to complete.

Attended the ISPARC Regional Engagement Meeting for Vancouver Island online.

Respectfully submitted

I would like to thank all the commissioners and leagues for getting lacrosse up running this year, it was great to see some games this year.

It was a very busy year for hearings and appeals this year, I would like to thank all of who helped out in the many hearings, I hope next year there is not as many. Abuse of officials is still very high and we need to fix that so we do not lose any of them.

I would to thank the members of the Senior Directorate for all their hard work and commitment and Terry and everyone who helped at the different Provincials this year.

A big thanks goes to the BCLA staff for keeping us posted and help myself and all the teams.

I hope to see everyone at a lacrosse game next year.

It was a pleasure to see box lacrosse back up and running in 2022. I had naively hoped that with the 2 year absence, coaches and parents would come back a little more relaxed and appreciative. That wasn't the case. It is disappointing to continue to see the embarrassing behaviour of some of the coaches and parents. While mostly directed at officials, it also disturbingly included individual players that were called out and harassed via social media. One of the consistent messages from all zones in BC is that registration was down, volunteers were hard to find and we continue to lose officials. We need to remove the coaches/families that continue to give your associations and lacrosse a bad name. Firm up your policy where you can to deal with these coaches and families.

It was so good to see our provincial championships back. There were 4 provincial championships hosted on 2 consecutive weekends in July. They were a bit earlier than we would like due to it being a BC Summer Games year and having to get box lacrosse completed prior to the BC Summer Games. 2023 should allow us an extra week or 2 of games for the regular season. Our provincial championship hosts did a wonderful job of hosting and we thank them very much for stepping up and allowing us to put on the provincials.

We are pushing hard for a return to an in-person AGM to be held in Whistler in 2023. We hear across the province of the challenge in getting and keeping volunteers. We hear from all zones how important it has been in the past and is as important now to recognize and reward our volunteers. Our annual AGM in Whistler is the best way to do this and we want it back.

There are 19 people (17 now, as we have 2 zone rep vacancies) that make up the Minor Directorate and I thank each one of them for their time and dedication to lacrosse in BC. They have been a patient and supportive group to work with and always have a view to what is best for lacrosse in the province, not just their league, zone or commission. We have not met in person since January 2020 and we will be getting back to meeting in person for our November or January meeting. There are quite a few new members of our minor directorate that I haven't met in person. This is not the best way for us to move forward and needs to change.

Thank you to the BCLA staff of Jeff, Dave, Matt and Deb in helping me get through another box lacrosse season as minor directorate chair. You are a treat to work with and we appreciate your efforts.

Regards,

Another year of the pandemic but at least some leagues were able to play some games.

Island struggles with their female program, and maybe it is time to look at having PCFLL teams go over and play games to help them get up and running. Just like how box does.

After the PHO order came out in January and we still could not have sporting events, the FD met and decided to look at another option to have provincials this year since they did not happen 2021. The hosts were able to get Field times in March for Youth and U11, which we booked. We made this announcement and informed everyone giving the teams an option to back out without penalties and fines. We felt this was the best choose as the other option was cancelling provincials all together.

We did have teams not re-apply and only 1 team at U13 tier 1 so we didn't hold a U13 tier 1 provincials, but we did have U18 T1,T2 U15 T1, T2, & U13 T2 Thank you to Langley for hosting the Youth provincials, they did a good job. Thank you to Mary and Dylan from the FD for stepping up and being the FD convenors for these provincials. We had no issues all weekend and not one game report.

Thank you to Matt and Dave for being at all the provincials posting the scores and taking pictures, Deb thank you for sending out all the information to all the teams and fixing up my schedules.

Ridge hosted the women's provincials and we kept them at the original weekend as planned, with the understanding if the PHO ordered didn't change they would be cancelled, the PHO order was lifted too late for youth but the women's went ahead. Thank you to Ridge for hosting as well as Thank you to Kellie for being the FD convenor.

The U11 year-end tournament will be happening this weekend coming. Ridge is hosting this event we have Trish and Angie being the FD convenors for this event.

Now the PHO orders have been lifted the FD will continue on hosting our meeting by zoom, as it will help with our Island and Interior reps from travelling for meetings especially with the gas prices.

We hope that BCLA will go back to in person for the AGM and Special session for 2023 since we are not for 2022, as this is a great event to meet all reps from all over BC and have many discussions on how to grow our field lacrosse game.

Thank you to all the players ,coaches, club reps, the FD members as well as everyone at the BCLA office for working through the pandemic and getting back to playing field lacrosse and having a provincial this year.

**BCLCTG Chair Report**  
**September 10, 2022**

The 2022 Lacrosse season has been very challenging in many ways. With a return to play the focus should have been on development of our coaches, officials and recruitment of players. I do not believe we hit the mark on these and instead our focus in general was a “return to normal play” approach. The issue with this is that the coaching/officiating and player numbers were not the focus and as such led to a significant degradation of the overall lacrosse experience for many.

1. Online coaching was something we had to implement in 2021 for COVID. We have moved away from this model but it needs to be revisited. We need to make the training more accessible, without watering this down. Unfortunately the theme of the CLA office being unsupportive and non-existent at the grassroots is common in our sector.
2. There was little initiative taken by our technical group in regards to provincial PD. We were involved with Ontario during COVID but that subsided when they had staff turnover. We need to revisit this online seminar series for our province. I will discuss during our meeting and try to develop a committee to work on this.
3. Referee Issues: The referee abuse this year was intolerable. I felt like we are on a positive trend 2 years ago and this year went sideways. I believe that this has happened for a number of reasons:
  - a. Over-worked officials- We had a significant decline in officials and as such overused the ones we had.
  - b. Coach Training Deficiency- I don't think our organization as a whole discussed the post-covid approach and instead clubs were left to flounder. We did not recertify coaches or send out any direction.
  - c. Commissioner Training - I also think commissioners need to be trained better and given more examples and instruction on dealing with things.
  - d. Coaches not getting the message – I also think the local clubs are not conveying the “no tolerance” policy to their coaches. I again believe a fine system on the club is a discussion item to put more onus on the club to train their coaches and pick them with more diligence.

**Challenges**

There are some significant challenges facing our coaches group still. I have noted some below:

1. CLA Office and Lack of Direction: This is an absolute key issue moving forward. In 25 years I have never worked with a more inefficient and misguided organization. The CLA has no direction, no accountability and, in my opinion, does not care about the grassroots coach. We feel as though this may be changing but it is a very inoperable group with not much trickling down to the MA and coaches.
2. Clear Direction for BCLCTG: There is no clear direction for this technical group. For the past 5 years I have tried to spearhead new projects and movements and there is a lack of definition between our group, our local MA and the BCLA office. Who is in charge of what? What can we work on together? What support do the volunteers have? What can we rely on? This needs to be addressed in short order. I am not criticizing the BCLA office at all, Dave has been amazing and was integral in the National Coaching Series. I am however frustrated with the lack of direction or collaborative working between the groups noted. I think we should prioritize this. I think the BCLA executive needs to commit funds to building some coaching resources for our membership, once complete our membership can work financially to build it out.

My personal life has changed dramatically in the past 18 months and specifically the past 12. I have had some major changes personally, professionally I have opened my own law firm in a few locations and have recently added ownership and managing partner duties with the Albany NLL team to my portfolio. This past season was a struggle timewise for me. My office was 300% busier than in previous years, my kids are busy and the Albany FireWolves require time. I had two lawyers go on maternity leave which put much on my plate. I do feel as though I am managing better and will keep my name forward unless there is another good candidate.

Thanks

Russ Sheppard

**BCLA Chair BC Lacrosse Officials Technical Support Group: Andy Watson**

Hello friends in lacrosse,

In my first year as chair of officiating for the BC Lacrosse Officials Technical Support Group (BCLOTSG), I was overwhelmed by the sheer amount of work our leadership team puts in each and every year. I want to extend particular thanks to the past chair, Lee Brien, for his efforts over multiple terms in this role. I also want to extend my sincere thanks to Wilson Louie, the outgoing Vice-Chair, Minor Box, for his dedication and selfless support for officials in our province during his six years in his role. In addition, sincere thanks to Sean Lehman (Vice-Chair, Senior Box), Ryan Nose (Vice-Chair, Men's Field), Angie Reid (Vice-Chair, Women's Field), Doug Wright (Director-at-Large), and Andrew Corbould (Secretary-Treasurer) for their tireless work in their positions on the BCLOTSG executive.

In our first year transitioning back to full play since the start of the COVID-19 pandemic, we were faced with challenges around staffing. A shortage of officials – particularly at the L2 and up level – created challenges for allocators, schedulers, RICs, and organizers from all facets of our game. I'm tremendously proud of the smaller-than-normal group of officials who stepped up to make sure most games were covered. Speaking with chairs in other bigger provinces, I can safely say we managed this challenge with innovation and creative thinking that led to fewer games being cancelled relative to what we saw in other provinces (notably Alberta, Ontario and Quebec).

That said, we need a long-term solution for referee recruitment and retention. Abuse continues to plague our indoor game, and we also face a labour-market challenge in retaining officials who are lured away by jobs with higher pay, less abuse and more flexibility in hours. We will be proposing some long-term solutions focussed on pay, travel (gas prices were a major deterrent for travel for many officials this past box season), and accountability for abusive coaches at the upcoming AGM.

Once again, we were faced with challenges around delivery of clinics with facilities limiting access for outside parties – working with the office staff we were able to offer hybrid learning opportunities. It is our belief in B.C. that we need to look to a year-round learning opportunities moving forward. We also ran into issues of people not wanting to return due to the uncertainty of the pandemic and because of newfound hobbies discovered during two relatively quieter lacrosse seasons.

I'm proud of our representation of officials at the national level. I'd like to publicly acknowledge our officials for national, international and major events since September of 2021:

- **BOX LACROSSE:** Mann Cup – TBD (not published at time of submitting this report); Cameron Anderson and Nick Thomas; Minto Cup – Riley Lo; Presidents Cup – Braden Wilkins and Jacoby Krassman (Sean Lehman RIC); Founders Cup – Jarrett Smith; Canada Summer Games (Male) – Tyler Boyer, Vince Burelle, Jason Syrotuck and Ryan White (Andy Watson RIC); Canada Summer Games (Female) – Josh Beauregard and Corey Lister; BC Summer Games – Cameron Anderson (RIC), Josh Beauregard, Julia Diemand, Austin Goertz, Bill Hudyma, Jaysen MacLean, Gino Pagliericci, Spencer Pollock; Minor Box Lacrosse Nationals in Langley – Adam Donald, Angie Reid, Jaysen MacLean, Spencer Pollock, Kody George, Arjan Singh, Josh Beauregard; **EUROPEAN INDOOR CHAMPIONSHIPS:** Keith Gagne.
- **FIELD LACROSSE:** U21 World Men's – Ryan Nose, Lee Brien, Cam McCullough; SeniorU15/U18 Men's Nationals – Lee Brien, Cam McCullough, Ryan Nose, Nico Beaudoin,

Rob Cook, Wes Tyre Joe Smith; BC Summer Games – Rob Cook (RIC), Ryan Nose, Ted Baranyai, Ryder Bremner, Joe Smith, Wes Tyre.

- SIXES: World Games, Birmingham – Ryan Nose.

As we shift into the next season with field clinics now scheduled, we will be focusing on five areas as an executive team:

- Retention of officials: pay, travel and recognition will be focal points; we have developed a recruitment and retention plan to support this for minor clubs.
- Recruitment of new officials: in particular, how do we recruit adults; per above, we have developed a recruitment and retention plan that will help to support this work.
- Year-round education: focus on influencing at the national level on training, educational and information resources; enhancing our clinic for L3-5 referees in indoor/outdoor lacrosse.
- Professional development opportunities: looking for year-round engagement of officials.
- Recognition and Communication: in support of the four points above, how do we meaningfully recognize the efforts of our officials and volunteers; enhance the use of communications channels (digital and traditional) to promote the officiating sector; ensure the transparency of opportunities for officials to grow and develop in all sectors.

A special thanks to Deb, Dave, Matt and Jeff at the BCLA Office – without the support and coordination from our PSO team, we'd be lost. Deb and Dave, in particular, thanks for your patience with me as I learned the ropes over the past 12 months.

I'm looking forward to seeing some new ideas and momentum come to fruition for the 2022-23 lacrosse season and working with the various sectors to help grow our game, address gaps, and find solutions to the challenges we have faced in recent years.

Yours in lacrosse,

Andy Watson

## INDEPENDENT AUDITORS' REPORT

---

To the Members of British Columbia Lacrosse Association

### Report on the Financial Statements

#### Opinion

We have audited the financial statements of British Columbia Lacrosse Association (the "Association"), which comprise the statement of financial position as at August 31, 2022, and the statements of changes in fund balances, operations and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Association as at August 31, 2022, and the results of its operations and cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

#### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Association in accordance with ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Other Information

Management is responsible for the other information, comprising of Schedules 1 and 2, other than the financial statements and our audit engagement report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance opinion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

---

## INDEPENDENT AUDITORS' REPORT

---

Those charged with governance are responsible for overseeing the Association's financial reporting process.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

PURPOSE OF THE ASSOCIATION

British Columbia Lacrosse Association (the "Association") is a not-for-profit organization incorporated provincially under the British Columbia Societies Act. The Association is a not-for-profit organization under the Income Tax Act (Canada) and as such is exempt from income taxes. Its principal purpose is to build, develop and administer the sport of lacrosse in British Columbia.

During 2020, a global health pandemic was declared due to the COVID-19 virus, which has had a significant impact on economic and social activity through the restrictions put in place by various levels of government regarding travel, organizations operations and isolation/quarantine orders. At this time, the extent of the impact that the COVID-19 health pandemic may have on the Association is unknown and will depend on future developments that are highly uncertain and that cannot be predicted with confidence. The Association received funding from Lacrosse Canada to provide relief due to the financial impact of COVID-19 and to assist with succession planning as the COVID-19 pandemic will continue to affect the Canadian lacrosse community. The Association continues to monitor its cash reserves and will make all necessary adjustments to maintain its financial position.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations ("ASNPO") under Part III of the CPA Canada Handbook - Accounting. Financial statements prepared in accordance with ASNPO are also in accordance with Canadian generally accepted accounting principles ("GAAP").

These financial statements have, in management's opinion, been prepared within reasonable limits of materiality using the significant accounting policies noted below:

(a) Fund balances

Revenue and expenses related to program delivery and administrative activities are reported in the Unrestricted Operating Fund.

Revenue and expenses related to the Gaming Fund are reported in the Gaming Fund.

Revenue and expenses related to restricted scholarship and bursary funds are reported in separate restricted funds. The Wayne Goss, Ted Fridge, Gene Regier, and J McCready Family Scholarship Funds are funds established by the Association to provide lacrosse players with annual scholarships towards post-secondary education. The Dorothy Robertson Bursary Fund is a fund established by the family of Dorothy Robertson to provide lacrosse players with annual bursaries.

(b) Cash

Cash consists of cash on deposit. Cash subject to restrictions that prevents its use for current purposes is excluded from current assets and presented as a long-term asset in the statement of financial position, as well as excluded for cash flow purposes.

(c) Inventory

Inventory consists of educational materials for officials and coaches, as well as jerseys and branded merchandise for resale. Inventory is valued at the lower of cost and replacement cost.

---

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*continued*)

(d) Capital assets

Equipment is stated at cost and amortized over its useful life on a straight-line basis over 5 years.

The Association's policy is to record a write-down to a capital asset's fair value or replacement cost when conditions indicate that a capital asset is impaired. Such conditions include when the Association's value of future economic benefits or service potential associated with the capital asset is less than its net carrying amount. Write-downs are recognized as an expense in the statement of operations and are not reversed.

(e) Revenue recognition

The Association follows the the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Player, coaches and officials registration and other program fees are recorded in the period they are received. Certain sources of grant income are restricted for use towards specific programs, and are therefore recognized in the period in which the related program, events or services are provided.

Deferred revenue represents operating funding received in the current year that is designated for future periods. Deferred contributions related to capital assets represent restricted contributions that have been received to purchase capital assets. These contributions are amortized and recognized as revenue on the same basis as the amortization expense related to the acquired capital asset.

(f) Contributed services and materials

Contributed services are not recognized in the financial statements due to the difficulty of determining their fair value. Contributed materials are recognized only when their fair value can be reasonably estimated and when the materials are used in the normal course of operations and would otherwise have been purchased (see Note 9).

(g) Use of estimates

The preparation of the financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions about future events that affect the reported amounts of assets, liabilities, revenues and expenses as at the end of or during the reporting period. Management believes that the estimates used are reasonable and prudent, however, actual results could differ from those estimates. Significant areas requiring the use of management estimates relate to the valuation of accounts receivable, the determination of the useful lives of capital assets used for the calculation of amortization and the determination of the amounts recorded as accrued liabilities and the measurement of deferred revenue and deferred contributions related to capital assets.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*continued*)

(h) Financial instruments

i) Measurement

The Association's financial instruments consist of cash, restricted cash and term deposits, accounts receivable and accounts payable.

The Association initially measures all of its financial assets and liabilities at fair value, except for certain non-arm's length transactions. The Association subsequently measures all of its financial assets and liabilities at amortized cost.

ii) Impairment

Financial assets measured at cost are tested for impairment when there are indicators of impairment. The amount of any write-down that is determined is recognized in the statement of operations. A previously recognized impairment loss may be reversed to the extent of any improvement, provided it is no greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in the statement of operations in the period in which it is determined.

iii) Transaction costs

Transaction costs are recognized in the statement of operations in the period incurred, except for financial instruments that will be subsequently measured at amortized cost. Transaction costs associated with financial instruments measured at amortized cost are capitalized and are included in the acquisition cost or deducted against proceeds on disposal.

2. FINANCIAL INSTRUMENTS RISKS

The Association's financial instruments are described in Note 1(h). The Association is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the Association's risk exposure. There has been no significant change in risk exposures from prior year.

Credit risk

Credit risk arises from the potential that a counter party will fail to perform its obligations. The Association is exposed to credit risk through its accounts receivable. The Association has numerous members which mitigate the risk and any such losses have been within management's expectations. The accounts receivable due from members are offset with an allowance for doubtful accounts of \$3,127 (2021 - \$3,682).

Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The Association is exposed to this risk as it relates to its accounts payable. The Association pro-actively works with its funders, vendors and creditors to manage any disruption to its regular balance of working capital and anticipates that its cash reserves will adequately minimize liquidity risk.

**NOTES TO FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED AUGUST 31, 2022**

2. FINANCIAL INSTRUMENTS RISKS *(continued)*

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk. The Association is not exposed to market risk.

3. COMMUNITY GAMING GRANT

8. COMMITMENTS

The Association has entered into a business premises and storage lease until February 28, 2025. The minimum annual lease payments for the remaining term of the lease are anticipated to be as follows:

2023	\$ 33,143
2024	34,584
2025	17,292
	<u>\$ 85,019</u>

9. CONTRIBUTED MATERIALS

For the year ended August 31, 2022, sponsors and advertisers contributed materials with a cost of \$26,235 (2021 - \$Nil). The contributed materials were recorded as revenue and expenses in various accounts on the statement of operations.

10. REMUNERATION PAID TO EMPLOYEES AND DIRECTORS

For the fiscal year ended August 31, 2022, the Association provided remuneration of \$6,250 (2021 - \$Nil) to three directors for coaching services rendered. During the current year, one employee earned over \$75,000 for a total of \$91,773 (2021 - one employee for a total of \$85,000).

11. ENDOWMENT FUNDS HELD BY VANCOUVER FOUNDATION

The Association has established two Endowment Funds with the Vancouver Foundation, the capital of which are permanently invested with and administered by the Vancouver Foundation and therefore not presented in these financial statements. The Association is eligible to receive the income earned by the endowment funds as paid by the Vancouver Foundation from time to time, but has not earned any income in the current or previous period.

As at August 31, 2022, the British Columbia Lacrosse Association Jack Crosby Endowment Fund had an invested capital balance of \$33,748 (2021 - \$32,034) and a market value of \$38,443 (2021 - \$41,332). The Bill McBain Endowment Fund has an invested capital balance of \$16,795 (2021 - \$15,835) and a market value of \$22,152 (2021 - \$23,845).

12. COMPARATIVE FIGURES

Certain of the comparative figures have been reclassified to conform to the current year's presentation. Such reclassification does not have any effect on the total assets, total liabilities, total fund balances or excess of revenue over expenses for the year previously reported.

**REGULATION 5: TRAVEL, 5.01 (iv) – currently reads:**

5.01 **Travel expenses will be paid by the Association as follows:**

- (iv) Other travel --as authorized by the Executive, and ~~*in the amount of:*~~

~~*Mileage—Local travel (city driving)—.49c per km*~~

~~*Mileage—Long distance (highway) travel—.30c per km*~~

Every effort must be made to keep costs down when travelling to and from meetings, events, etc. It is expected that if air travel and/or renting a vehicle is less expensive than per km expenses, that people will make the more economical travel arrangements. If more than one person is travelling from the same area, every effort must be made to car pool. When practical, use of telephone conferencing should be considered as a substitute for in-person attendance at regular meetings.

5.01 **Travel expenses will be paid by the Association as follows:**

- (iv) Other travel --as authorized by the Executive, and *updated annually on January 1 of each calendar year, according to the Canada Revenue Agency guidelines as publish on the CRA website (Reasonable per-kilometre allowance – Canada.ca)\**

Every effort must be made to keep costs down when travelling to and from meetings, events, etc. It is expected that if air travel and/or renting a vehicle is less expensive than per km expenses, that people will make the more economical travel arrangements. If more than one person is travelling from the same area, every effort must be made to car pool. When practical, use of telephone conferencing should be considered as a substitute for in-person attendance at regular meetings.

Ferry-- actual cost

Other fares -- actual cost

Meals -- up to \$40.00/day

Accommodation -- up to \$100.00/day

*\* <https://www.canada.ca/en/revenue-agency/services/tax/businesses/topics/payroll/benefits-allowances/automobile/automobile-motor-vehicle-allowances/reasonable-kilometre-allowance.html>*

**Rationale:** In current economic conditions, the cost of vehicle travel has increased and this has forced us to review how we reimburse not only staff, but volunteers acting in an official capacity at BCLA Events (eg. Provincials). Replacing a ‘named’ amount (as in current policy) with the CRA Guideline allows the BCLA to keep up with current rates without having a special resolution by the BCLA Executive and/or amending this policy on an annual basis.

If approved the note about rate increases would be removed.

**REGULATION 7: PLAYER REGISTRATION – currently reads:**

- 7.01 Each association or team shall complete BCLA approved Registration Form for every player, in sufficient copies to meet the needs of the Association. Any association or team failing to register each and every player and pay the appropriate registration fee may be suspended in accordance with By-Law II.
- 7.02 All Minor/Youth players (Box/Field) must register within the set boundaries (a primary residence within a city, town, municipality, school district, etc. of the appropriate Directorate as determined by the specific Commission/League.
- 7.03 The local Commissions/Leagues are responsible to administer these boundaries and for providing these boundaries to the BCLA Office, through their respective Directorates.
- 7.04 Any person legally residing, either temporarily or permanently, in British Columbia may register as a member of the BC Lacrosse Association.
- 7.05 Out of Country residents may become members on an annual basis by applying for placement through a league and ratification by the appropriate Directorate. Potential members must apply to Minor Box/Senior Box/Field Directorate for approval, and must follow the applicable registration and transfer procedures. Within Minor Box and Youth Field, an Out of Country player is not permitted to displace a resident player; specifically, resident players cannot be released if Out of Country players are being accepted by a club (this does not speak to the caliber or tier that either player will achieve after association tryouts).
- 7.06 All members must have medical insurance (equivalent to BC Medical Insurance coverage). Members without a BC Care Card must provide proof of basic health insurance.

**Amend Regulation 7 Title and Add *new* REGULATION 7: **PLAYER AND OFFICIAL REGISTRATION** that would read:**

***7.5 Official Registration***

- 7.51 Each association shall determine and approve registration for certified box lacrosse officials they wish to be involved for the coming season for their association.***
- 7.52 All Entry Level 1 and Level 1 Minor/Youth officials (Box/Field) must register within the set boundaries (based on his/her primary residence within a city, town, municipality, school district, etc.) of the appropriate Directorate as determined by the specific Commission/League.***
- 7.53 If an official has moved residences to another association, Grandfathering (2 full seasons of experience in box/field respectively) to previous association must be approved by the home association for Entry level 1 and Level 1 officials. Otherwise, it is expected these officials register within their new home association community.***
- 7.54 The local Commissions/Leagues are responsible to administer these boundaries and for providing these boundaries to the BCLA Office, through their respective Directorates.***
- 7.55 Any person legally residing, either temporarily or permanently, in British Columbia may register as an official of the BC Lacrosse Association.***

*7.56 Out of Country residents may become members on an annual basis by applying for placement through a league and ratification by the appropriate Directorate. Potential members must apply to Minor Box/Senior Box/Field Directorate for approval and must follow the applicable registration and transfer procedures.*

*7.57 All members must have medical insurance (equivalent to BC Medical Insurance coverage). Members without a BC Care Card must provide proof of basic health insurance.*

**If 7.5 passes, Add new regulation**

***7.6 Official Travel Fees***

*7.61 Officials travelling more than 30km roundtrip shall be reimbursed for their travel at the set BCLA travel rate per BCLA policy.*

*7.62 The origin departing point for each official shall be the set boundaries set out in “7.5 Official Registration.” For officials where this has not been determined, the Vice-Chair of Senior Officials will make the determination for officials based on the closest postal code for senior officials who also referee minor lacrosse.*

**NOTE:** The BC Lacrosse Officials Technical Support Group will work with each directorate to ensure language is consistent in each operating policy (eg. Minor Directorate, Senior Directorate, Field Directorate etc.)

**Rationale:** With the travel allowance for the Lower Mainland being open for travel, this will set parameters for an official’s home association to ensure consistency in distribution of travel rates. This will also incentivize individual associations to recruit, retain, and mentor officials for the duration of their career as an official. This creates a consistent provincial policy for minor box lacrosse travel in British Columbia.

**REGULATION 12: GENDER EQUITY, 12.02 – currently reads:**

12.02 The BCLA will encourage Gender Equity by:

- a) Ensuring that the achievement of equal opportunities is a key consideration when developing, updating or delivering BCLA programs;
- b) Ensuring that the needs and concerns of *both* genders are identified, promoted and supported;
- c) Ensuring that the governance structure encourages and promotes full and equal opportunities of *both* genders;
- d) Ensuring that all staff has equal opportunities to participate in decision-making, advance in management, and receive equal remuneration.
- e) Co-operating with other organizations such as Sport Canada, Sport BC, CAAWS, et al., to promote equal opportunities for *both* genders;
- f) Providing international leadership with the IF in the promotion of equal opportunities for *both* genders;
- g) Encouraging all international games and event organizers to provide for equal opportunities for *both* genders to participate.

**Amend REGULATION 12: GENDER EQUITY, 12.02 that would read:**

12.02 The BCLA will encourage Gender Equity by:

- a) Ensuring that the achievement of equal opportunities is a key consideration when developing, updating or delivering BCLA programs;

- b) Ensuring that the needs and concerns of *all* genders are identified, promoted and supported;
- c) Ensuring that the governance structure encourages and promotes full and equal opportunities of *all* genders;
- d) Ensuring that all staff has equal opportunities to participate in decision-making, advance in management, and receive equal remuneration.
- e) Co-operating with other organizations such as Sport Canada, Sport BC, CAAWS, et al., to promote equal opportunities for *all* genders;
- f) Providing international leadership with the IF in the promotion of equal opportunities for *all* genders;
- g) Encouraging all international games and event organizers to provide for equal opportunities for *all* genders to participate.

**Rationale:** Based on the fact that there are more than two genders.

*Proposed by Angie Schwan, BCLA Board – Vice President, Administration and Finance*

**APPENDIX A: BCLA APPEALS POLICY AND PROCESS, Appeal Board members Point 15, currently reads:**

- 15. Each hearing will have a Chair and three to seven panel members. The panel members will have the jurisdiction of, and may exercise and perform the powers and duties provided to them under this bylaw.

**Amend APPENDIX A: BCLA APPEALS POLICY AND PROCESS, Appeal Board members Point 15, that would read:**

- 15. Each hearing will have a Chair and three to seven panel members. The panel members will have the jurisdiction of, and may exercise and perform the powers and duties provided to them under this bylaw. *In the case of a hearing necessary under Section 14.03.2 (Harassment) Policy, the panel should be comprised of a minimum 51% of the same gender as the Appellant.*

**Rationale:** Steps must be taken to allow people that may otherwise feel intimidated amongst a group to feel rest assured that their voice is being heard by an equitable body of member representatives.

*Proposed by Savanna Smith, Senior Women’s Box Lacrosse– Chair*

**APPENDIX B: 2021-2022 FEE SCHEDULE, Female Box Lacrosse Recreation currently reads:**

**Female Box Lacrosse Recreational     ~~\$15~~**

**Amend APPENDIX B: 2021-2022 FEE SCHEDULE, Female Box Lacrosse Recreation that would read:**

**Female Box Lacrosse Recreational     **\$20****

**Rationale:** Housekeeping–this will match what the Senior Women’s Box Lacrosse League are paying player cards. This will also align with the Recreational other lacrosse player registration (2021-2022 found on page 26 that shows Senior Women’s as \$20).

**APPENDIX B: 2021-2022 FEE SCHEDULE, Female Senior Payment/Game currently reads:**

**Minor Box Officials Payment/Game**

Juvenile (Minor)/Fem Junior/~~Fem Senior~~ \$50

**Amend APPENDIX B: 2021-2022 FEE SCHEDULE, Female Senior Payment/Game that would read:**

**Minor Box Officials Payment/Game**

Juvenile (Minor)/Fem Junior \$50  
~~Fem Senior~~ ***\$60***

**Rationale:** Housekeeping–this will match what the Senior Women's Box Lacrosse League are paying officials (\$60)

## EXECUTIVE SUMMARY

The BC Lacrosse Association will build on the successes of the previous Strategic Plans with initiatives and innovations that continue to grow the sports of Box, Field and Women's Field Lacrosse in British Columbia and establish the BCLA as a leader for lacrosse in Canada and the world. This document outlines the Goals and Strategies that will continue to move the BCLA towards our Vision:

*That the **SPiRiT** of Lacrosse is experienced by everyone in the Province of British Columbia*

The BCLA Vision, Values and Mission Statement provide focus for the organization, and demonstrate the SPiRiT of Lacrosse throughout all programs and services offered to our membership.

The BC Lacrosse Association is entering a new phase of development as they embark on the next four years of their strategic plan. The BCLA is committed to growing the sport of Lacrosse in profile and participation as well as cultivating and building stronger partnerships with a more inclusive approach. The BCLA emphasizes the importance of member services, and will assist their members with initiatives that enhance the experience for athletes, coaches, officials and volunteers.

Development and performance programs of the BC Lacrosse Association are based on the Sport for Life model, a national and provincial philosophy focused on providing Quality Sport at the community level. The **Lacrosse for Life** plan ensures that participants have age-appropriate and stage-appropriate programming in all levels of box lacrosse and field lacrosse. All participants can enjoy learning the game through "FUNdamental" skill development and "Learning to Train" programming through to becoming "Active for Live" in lacrosse. Some athletes move into more performance-oriented programming by participating in the "Training to Train" and "Learning and Training to Compete" stages through provincial championship, BC Summer Games and Team BC initiatives.

This next cycle will see lacrosse return as a pilot sport in the 2021 Canada Games (2022). This opportunity will assist the CLA and the BCLA with providing more resources to Lacrosse's performance pathway as we also prepare to participate in a future Olympic Games.

The 2020-2024 BCLA Strategic Plan provides the framework by which we will focus on the sport of lacrosse becoming the sport of choice for more people in British Columbia. Priorities for growth opportunities include increasing female participation (Box and Women's Field Lacrosse) in more regions, more resources, mentorship and training for coaches, development of a disability pathway, introducing adapted lacrosse programs (i.e., 3 on 3, Intermediate Minor Box, etc.).

## OUR VALUES

## SUMMARY OF STRATEGIC OBJECTIVES

### **PARTICIPATION – Maximize and Diversify Lacrosse Participation**

#### **1. Recruitment**

- Continue to investigate current Introduction to Lacrosse programs for incentives/strategies used and conversion to membership. Share information to explore potential introductory programs.
- Follow the Active Start and Fundamentals 1 and 2 principles of development to encourage and attract more field participation within the Mini-Tyke, Tyke and Novice Field & Box age groups.
- Cross-promote within other sports; there could be opportunities to work with other sport clubs to form multi-sport programs increasing the size and effectiveness of sport delivery.
- Partner with the Vancouver Warriors to promote lacrosse in the community
- Deliver introductory programs in schools focused on the following: Focus on teacher (including college/university) instruction and mentorship; make use of Pro D days to support teachers. Continue with Stick-Loan program.
- Promote field lacrosse in high schools with a hybrid Fundamentals and Learn to Train initiative to introduce the sport and accelerate skill development to Training to Train stage.
- Continue to work with ISPARC to develop regional program structure and programming specifically for people of Indigenous descent.
- Promote the opportunities and advantages of playing both games as part of player/coach development.

#### **2. Retention**

- Promote consistent, positive messaging for Lacrosse for Life and the development of physical literacy and quality sport.
- Build relationships with other provincial and community sport organizations to cross train/promote (10 and under) and to create better scheduling of the use of facilities (boxes, fields).
- Support the development of effective coaching at all stages with an emphasis on younger divisions
- Provide information sessions/resources on coaching female athletes to all coaches of female athletes – in person, on-line and/or through mentorship.
- Develop and deliver an athlete-to-athlete mentorship program to engage athletes in the T2T, T2C and T2W stages
- Establish programs for 17 and over that keep players in the game (i.e., create another Intermediate-age division in Minor with the focus of allowing for more appropriate stage development; and/or a 3-year Midget program – Seniors start at 21 with a Minor Intermediate program.
- Minor and Field Directorates to review age groups for Female Box Junior and Women's Field Junior divisions to provide potential recommendations to change age groups to increase participation.
- Develop and provide information to Minor Box Associations to implement a 3 on 3 Program to increase participation opportunities
- Develop a parent education program for member associations to deliver to parents - learning the basics to better support their children's and their own involvement in lacrosse. (Reference: Respect in Sport)
- Support member associations with a process to interview/survey their athletes for feedback
- Work with Leagues, and in particular, Senior Box, to develop Active for Life recreational level leagues to encourage participation by all levels of players

#### **3. Capacity Building**

- Recommend that community member associations govern all disciplines of lacrosse under one umbrella – box, field and women's field administration and delivery of programs.
- Promote registration for box and field lacrosse cross-over - end of box season, register for field; and vice versa)

- *Work with the Directorates to reduce and/or eliminate waiting lists; Directorates to review current policies to allow for athlete release and oversized teams*

#### **4. New Canadians**

- *Identify opportunities to promote lacrosse within diverse cultural groups*
- *Translation of lacrosse information (positive message about the game, what is lacrosse, basic rules, how to participate) – available on websites (Punjabi, Mandarin, Cantonese, Farsi, Spanish, French, Korean);*
- *Encourage member associations to participate in special cultural events(i.e., parades, festivals, Chinese New Year’s, etc.)*

#### **5. Disability Pathway**

- *Create a Disability Pathway*
- *Continue to develop funding opportunities for Wheelchair Lacrosse program*
- *Look for opportunities to collaborate/partner with disability sport groups at the Provincial and Community level*

### **TECHNICAL LEADERSHIP – Excellence in Coaching and Officiating**

#### **6. Coaches Development**

- *Develop a comprehensive Mentorship Program, including the training of coach facilitators to deliver the program throughout BC.*
- *Have those designated mentors deployed around the Province with a two-pronged focus – 1) to support and nurture current coaches and 2) support and develop community-based mentors to sustain ongoing coach development/support.*
- *Have the BCLCG create a program that trains the Zone Coach Coordinators to improve the skill level of club coaches (i.e., Mentorship Program)*
- *Minor Box and Youth Field Associations to Identify potential coach candidates from their athlete pools to develop as future coaches.*
- *Continue to work to increase the number and quality of qualified coaches and Learning Facilitators in box, field and women’s field.*
- *Improve the knowledge level of club coaches and their application of the Lacrosse for Life stages and principles*
- *Increase the number of MLFs and LFs in the province*
- *Take advantage of provincial, regional and community-based professional development opportunities for local coaches*
- *Develop a hybrid (box/field) coach development training/certification program with the CAC*
- *Competitive Development – Certify Master Coach Developer in BC; and identify and train a minimum of 14 coaches certified at Competition Development for Canada Games*

#### **Female Coaches**

- *Identify, recruit and train more female coaches*
- *Conduct more female-only coaching clinics*

#### **7. Officials Development**

- *BCLOG will develop a comprehensive Mentorship Program, including the training of referee/umpire facilitators to deliver the program throughout BC.*
- *Program to identify, recruit, train and deploy officials’ candidates from athlete pools in each association.*
- *Identify, recruit and train more female officials*
- *Increase number of MLFs and Course Clinicians in all disciplines.*
- *Provide officials training opportunities for athletes as they develop through the Train to train and Train to compete stages*
- *Create cross discipline opportunities*

## **ATHLETE DEVELOPMENT – Excellence in Athlete Development**

### **8. Skill Development**

- Promote/prioritize a skill development approach to all development stages with special focus on Fundamentals & Learn to Train stages.
- Ensure that coaches have an emphasis on skill development and introduce tactics and strategies at the appropriate stage.
- Provide information sessions/resources on coaching female athletes to all coaches of female athletes – in person, webinar and/or mentoring.
- Introduce 3-on-3 lacrosse into teaching systems and seasonal play (box); 7-on-7 (field) Both played on half floor/field (identify appropriate stages).
- Create an implementation plan and program for a high school field lacrosse program.
- Devise a plan to identify and develop training/programs for the over 300 athletes who do not make the Team BC roster.
- Provide enhanced services and opportunities to all Team BC programs, including BC Games, Canada Games and Zone teams
- Ensure that information about the Team BC program is readily available to the whole lacrosse community, including participants, coaches and parents.

### **9. Competitions**

- Actively provide opportunities for Train to Train and Learning to/Training to Compete teams to play in US tournaments
- Review and provide feedback to the CLA on a proposed National Championship Strategy
- Identify and train coaches at Competitive Development
- Use existing Team BC structure for Bantams and Midgets for CGs identification, development and selection - Identify 2005's for next 2 - years (box and field); develop more than 20 kids (pool); foster and promote kids not on HP (1-20 athletes Team BC; next 21-60 Selects) 6 on 6 hybrid game) proposed by FIL for Olympics – do trials in BC

### **10. High Performance**

- Develop relationships with WLA and Vancouver Warriors to assist with the HP Programs.

#### **For Canada Games**

- Develop process for identification, selection of athletes; tracking and evaluation on a regular basis
- Explore options for pre Canada Games competition opportunities
- Create and implement a Sport Medicine/Sport Science support program for Team BC Athletes and Coaches

### **11. Athlete Services**

- Continue to support BC's high-school-aged lacrosse players to apply for US college and university scholarships
- Ensure that qualified high-school aged lacrosse participants are able to utilize academic opportunities such as the External Credit Program to benefit from their lacrosse training as performance athletes, coaches and officials
- Connect athletes to external training opportunities like the Pacific Sport IGNITE programs

## **STRONG DELIVERY SYSTEM - Provide Effective and Efficient Lacrosse Information Resources**

### **12. Human Resources**

- Ensure that the allocation of volunteer and staff human resources meets the needs of the organization
- Develop a succession plan for identified staff and board of directors

### **13. Learning Community**

- Educate all members at all levels of the BCLA through Directorates and Technical Support Groups about Lacrosse for Life (including physical literacy and Quality Sport) and its effective application to BC Lacrosse development

**14. Facilities**

- Encourage member associations/clubs to cultivate strategic relationships within their respective communities, including other local sport groups, municipalities (recreation departments) school districts and public health.
- All lacrosse programs in one community get together to formalize a plan.
- Cultivate relationships with other sport clubs in local communities through an existing sport council/alliance or through individual club contacts with the intention of working together towards improved facility development.
- Build better collaboration/partnerships increasing your say in the planning, development and utilization of future community facilities.
- Support associations/clubs exploring the opportunities to utilize additional facilities such as outdoor boxes for games and indoor boxes for practices

**15. Revenue Generation**

- Increase revenue generated by BCLA to \$3M by the end of the planning cycle.
- Continue to promote the National Sport Trust Fund (donations/charitable receipts).
- Continue to promote the Jack Crosby and Bill McBain Endowment Funds.

**16. Marketing**

- Continue to identify additional marketing opportunities for grants and fundraising with a focus on school programs, wheelchair lacrosse programs, provincial team programs.
- Expand opportunities to partner with corporations/companies to sponsor lacrosse.
- Increase advertising revenue for “Lacrosse Talk”

**17. Communications**

- Implement a monthly e-newsletter to all members
- Develop a comprehensive communications message- “what is our story and our message as a game” that is meaningful and comprehensive

**18. Risk Management**

- Address conflicts and issues in lacrosse through appropriate policies and procedures regarding codes of conduct, conflict resolution, discipline and appeals, and ensure proper communication to the membership
- All pertinent Risk Management information will be communicated to all parents, participants and funders (i.e., concussion management, safe sport, screening, etc.) through their local lacrosse association/club.

**19. Partnerships**

- Continue to build and maintain strong and mutually beneficial partnerships with funders: Government, Gaming, ISPARC and viaSport
- Develop mutually beneficial partnerships with other sport organizations with shared interests (i.e., Sports with Balls)
- Identify and pursue additional new partnership opportunities that will benefit lacrosse in BC

**VOLUNTEER LEADERSHIP - Effective Leadership throughout the Lacrosse Community****20. Volunteer Leadership and Resources**

- Recruit leaders to oversee, engage and support the Volunteer Leadership Group.
- Recognize the roles and contributions of volunteers in the lacrosse community through public and purposeful recognition initiatives.
- Develop a Volunteer Mentorship program.
- Support a positive experience for lacrosse volunteers by providing basic “How to” instruction/information on selected topics.
