

BC Lacrosse Association
2024 Senior Directorate Special Session Meeting
BCLA Senior Directorate Chair Report: Dave Wilkie

I would like to thank all the commissioners and leagues for a great year of lacrosse this year, it was great to see some games this year, I would like to thank Heather Davis for her hard work in the TOJLL as she has stepped down as commissioner. It was a very busy year for hearings and appeals this year, I would like to thank everyone who helped in the many hearings, I hope next year there is not as many. We will need to work with officials to make sure games are not cancelled due to a lack of officials. We will need to come up a process with commissioners and officials if games need to be cancelled.

Congratulations to the JR A Adanac's for winning the Minto Cup and to the Ladner Pioneers for winning the Presidents Cup. As the Mann Cup is about to start, all the best to the Shamrocks,

I want to thank the members of the Senior Directorate for all their hard work and commitment and Terry and everyone who helped at the different Provincials this year. A big thanks goes to the BCLA staff for keeping us posted and help myself and all the teams. I hope to see everyone at a lacrosse game next year.

Dave Wilkie
Chair Senior Directorate
