Minor Directorate Operating Policy Playing Rules Section 4.11:

In all aspects of Minor Directorate play, the practice known as Offence/Defence is not to be played in any of its forms. Offence/Defence is simply defined as a Player playing only one end of the floor, at even strength.

1. All Minor Association Coach Coordinators/Head Coach and/or President, are advised that they are responsible for the actions of their coaches. They are also to advise all coaches in their association that the practice of playing the offence/defence system when at even strength (not including pulling the goaltender or for a face-off) is prohibited in BC Minor Lacrosse, as per current operating policy and such action can result in suspension.
2. If any Zone/Association Coaching Coordinator, League Commissioner, BCLCG Executive Member or Minor Directorate Executive clearly determines a coach is utilizing offence/defence on a persistent basis as a tactic, (not including pulling a goaltender or during face-offs) while at even strength, they are to advise by phone or electronic means the BC Lacrosse Coaches Group (BCLCG) Vice Chair - Minor Box. The BCLA Vice Chair will designate a representative to adjudicate. The BCLCG Vice Chair - Minor Box will formally advise the Association Coaching Coordinator/Head Coach and/or President of the incident.
3. It will be the responsibility of the BCLCG designated representative to ensure that the Coaches first infraction will result in the removal of the head coach for the remainder of the game, or the coach in charge of the bench.  
If the head coach has been previously removed or suspended, or if the violation occurs in the final period of the game, the head coach or coach in charge of the bench will be suspended for the following game.
4. If the Coach is again found to be utilizing the offence/defence tactic by the above named persons in Paragraph 2, they will advise the BCLCG Vice Chair - Minor Box. If this is the second infraction the BCLCG Vice Chair - Minor Box will advise the League Commissioner to assess an immediate FIVE (5)-GAME Suspension and a hearing.
5. If at any time in playoffs, Provincial Championships, or BC Summer Games (even if it is the first instance for the Coach), the Coach will receive an automatic FIVE-GAME Suspension from the BCLCG and must attend a hearing called by the BCLCG. This hearing may determine the future status of that Coach within the BCLCG. A hearing will then be conducted by the BC Lacrosse Coaches Group (BCLCG) prior to the following year to determine the future status of said Coach as per BCLCG guidelines.
6. It is the responsibility of the BCLCG Vice Chair – Minor Box to ensure that a complete up-to-date record of such infractions is kept both by the BCLCG and the BCLA Technical Director.

#### “DO’S” AT THE GAME:

- If you don't understand something that you see in the field, ask someone knowledgeable - don't just yell.
- **RESPECT** the decisions of the official - this is a zero tolerance policy - **honour** the game
- Be a positive **ROLE MODEL** by displaying good sportsmanship at all times to coaches, officials, opponents, and your child's teammates
- **SUPPORT** your team manager if they require assistance or have suggestions
- Be **RESPONSIBLE** for the behavior of your own fans and educate when needed
- Sit back and enjoy the game. Remember lacrosse is played for **FUN!**

#### “DO NOTS” AT THE GAME

- Yell at the officials about anything. Nothing is going to change by you yelling other than the possibility of you being asked to leave the field area.
- Use any obscene language or gestures at any time towards the officials or players as you will be removed from the field area.
- Yell at another team's players or spectators - you will be removed from the field area.
- Disrespect the game or the volunteers hosting this event - you will be asked to leave

Your **coach and manager are responsible for your actions and behavior**; honour them by being respectful, so they can concentrate on your child and their team.

## 14. HARASSMENT

- 14.01 The BCLA is committed to promoting a sport environment in which the terms and conditions of participation are equitable and non-discriminatory. ## APPENDIX F: BC LACROSSE ASSOCIATION SOCIAL MEDIA GUIDELINES

*The responsibility of on-line or social media accounts belongs to the named holder of the account (or page) and all members are expected to conduct themselves in accordance with the BCLA Code of Conduct.*

**Overview.** The BC Lacrosse Association (BCLA) has begun to use social media networking in a way to increase the reach of BCLA news and information to all interested parties, which include but is not limited to: members, fans, sport enthusiasts, and supporters. The social media outlets that may be used by the BCLA include the website, on-line community of practice, Twitter and Facebook.

These guidelines have been developed to sit under the framework for the BC Lacrosse Association By-Laws and/or Regulations, as well as be a complement to any additional policies and codes of conduct implemented by the BCLA.

We recognize the vital importance of participating in online conversations and are committed to ensuring that we participate in online social media the right way. The Social Media Guidelines have been developed to help empower you to participate in this connected world and represent our Association by sharing the vision and mission of our organization and the story of our historic game.

The vision that serves as the basis to all our initiatives is guided by certain shared values that we live by as an organization and as individuals:

Sportsmanship   Passion   Integrity   Respect   Innovation   Trust

The BCLA encourages all Association/Club members, Teams, Players, Coaches, Trainers, other Team Personnel, Officials, volunteers, parents and/or guardians of BCLA players to explore and engage in social media communities at a level at which they feel comfortable. **Have fun, but be smart.** The best advice is to approach online worlds in the same way we do the physical one -- by using **sound judgment** and **common sense**, by adhering to the Association's values, and by ensuring that all the Association's Policies and Procedures are not breached.

Social media enables people and organizations to share opinions, insights and experiences on the web using tools to connect, interact and maintain and develop relationships. Social media is about connecting and engaging with members, fans, followers and supporters.

All forms of social media that the BCLA utilizes are used to engage our members and beyond. Creating awareness, generating interest, and increasing the visibility of the BCLA should absolutely be the primary objectives when using these accounts. Social media is an opportunity for an organization to connect and network with its fans and followers.

**Compliance.** Non-compliance with these guidelines may be considered as misconduct, harassment, discrimination, or in certain circumstances contravention of the law. Those who fail to comply with these guidelines may be disciplined under the BCLA By-laws and/or Regulations.

**Definitions.** Social Media is defined as "content created by people using highly accessible and scalable publishing technologies. Social media is distinct from traditional media, such as newspapers, television, and film. Social media comprises relatively inexpensive and accessible tools that enable anyone (even private individuals) to publish or access information". (Source: Wikipedia)

**Social Media may include (but is not limited to):**

- Social networking sites (ex. Facebook, MySpace, LinkedIn, Bebo, Yammer)
- Video and photo sharing websites (ex. Flickr, YouTube)
- Blogs, including corporate and personal blogs
- Blogs hosted by media outlets (ex. comments posted to news stories)
- Micro-blogging (ex. Twitter)
- Wikis and online collaborations (ex. Wikipedia)

- Forums, discussion boards and groups (ex. Google Group, Communities of Practice, etc.)
- Video or podcasting
- Online multiplayer gaming platforms (ex. World of Warcraft, Second Life)
- Instant messaging (including text messaging)
- Geo-spatial tagging (ex. Foursquare, Facebook Places)

### **BCLA General Guidelines.**

**Transparency** in every social media engagement. The BCLA does not condone manipulating the social media flow by creating "fake" destinations and posts designed to mislead followers and control a conversation. Every Website, "fan page", or other online destination that is ultimately managed by the Association must make that fact known.

**Respect** of copyrights, trademarks, rights of publicity, and other third-party rights in the online social media space, including with regard to user-generated content (UGC). How exactly you do this may depend on your particular situation, so work with the Association's communications contact to make informed, appropriate decisions. When in doubt, please contact [info@bclacrosse.com](mailto:info@bclacrosse.com)

**Utilization** of best practices, listening to the online community, and compliance with applicable regulations to ensure that this Social Media Guidelines remains current and reflect the most up-to-date and appropriate standards of behaviour.

**Guidance for navigating legal issues.** The following is offered as general guidance to assist you in complying with the obligations set out in these guidelines. When in doubt, seek further guidance from the BCLA's Operating Policy Manual.

**Privacy, confidentiality and information security.** You should **not** publish or report on conversations or information that is deemed confidential or classified or deals with matters that are internal in nature. The BCLA's *Privacy Policy* applies.

**Copyright.** You should respect copyright laws and fair use of copyrighted material and attribute work to the original author/source wherever possible.

**Harassment and Bullying.** The BCLA's *Harassment Policy* applies online and in the physical workplace. Bullying and harassment includes any bullying or harassing comments a person makes online, even on their own private social networks or in non-lacrosse related settings.

Abusive, harassing, threatening or defaming postings are in breach of the BCLA's *Harassment Policy* in the *BCLA General Operating Policy*, and may result in disciplinary action being taken.

All participants of the game are expected to treat each other with respect and dignity and must ensure their behaviour does not constitute bullying and/or harassment.

**Defamation.** You should refrain from publishing material that may cause injury to another person, organization, association or company's reputation, and should seek further guidance if publication of such material is thought to be necessary.

**Offensive or obscene material.** Material may be offensive or obscene and may infringe relevant online classification laws if it pornographic, sexually suggestive, harassing, hateful, racist, sexist, abusive or discriminatory.

**Social Media Activities.** The BCLA respects the rights of its participants of the game and its authorized contractors to use blogs and other social media tools not only as a form of self-expression, but also as a means to further the BCLA's awareness. It is important that all participants of the game are aware of the implications of engaging in forms of social media and online conversations that reference the BCLA and/or the representative's relationship with the BCLA and its brand, and that they recognize when the BCLA might be held responsible for their behaviour.

## **Personal Use**

**Our Expectations for Personal Behaviour in Social Media.** There's a big difference in speaking "on behalf of the Association" and speaking "about" the Association. This set of **5 principles** refers to those **personal or unofficial online activities** where you might refer to the BC Lacrosse Association, Canadian Lacrosse Association or any associated activities (Local, Provincial, National Championships, International events, AGMs, etc.)

1. **Adhere to all applicable policies.** All participants of the game are subject to the Association's Code of Conduct in every public setting. In addition, in certain circumstances, other policies, including the Confidentiality Agreement or National Teams Policies and Guidelines, govern participants of the game's behaviour with respect to the disclosure of information; these policies are applicable to your personal activities online.
2. **You are responsible for your actions.** Anything you post that can potentially tarnish the Association's image will ultimately be your responsibility. We do encourage you to participate in the online social media space, but urge you to do so properly, exercising sound judgment and common sense. Please make sure to include the following disclaimer to each profile or platform you use where you can be identified as related to the Association: "The views expressed on this website/blog are the views of the author alone and do not reflect the views of the BC Lacrosse Association".
3. **Be a "scout" for compliments and criticism.** Even if you are not an official online spokesperson for the Association, you are one of our most vital assets for monitoring the social media landscape. If you come across positive or negative remarks about the Association or its brands online that you believe are important, consider sharing them by forwarding them to [info@bclacrosse.com](mailto:info@bclacrosse.com).
4. **Let the subject matter experts respond to negative posts.** You may come across negative or disparaging posts about the Association or its brands, or see third parties trying to spark negative conversations. Unless you are an authorized online spokesperson, avoid the temptation to react yourself. Pass the post(s) along to the BCLA staff who are trained to address such comments, at [info@bclacrosse.com](mailto:info@bclacrosse.com).
5. **Be conscious when mixing your business and personal lives.** Online, your personal and business personas are likely to intersect. The Association respects the free speech rights of all of its participants of the game, but you must remember that anyone has access to the online content you post. Keep this in mind when publishing information online that can be seen by more than friends and family, and know that information originally intended just for friends and family can be forwarded on.

**REMEMBER:** Do not represent yourself as an Official Spokesperson of the Association (unless authorized to do so - see "Professional Use of Social Media) in any social media forum and never disclose non-public information of the Association (including confidential information). Be aware that taking public positions online that are counter to the Association's interests may be harmful and could be considered a breach of compliance.

## **Specific Applications and Situations**

1. **Timing.** Some situations require that participants of the game in official functions for the Association refrain from uploading content or participating to social media. These situations include (but are not limited to):
  - a. Inside a competition stadium during the competition period (ex. FIL World Cup competition or Minto Cup)

- b. During a non-public event or meeting organized by the Association (ex. the Annual General Meeting)
  - c. Before, during or after a meeting where non-public information is discussed (ex. Local competitions committee planning meeting)
  - d. Before, during or after a game or training session when strategic, tactical or medical information is discussed. We ask that you please refer to the team's coaching or medical staff before making any comments pertaining to these.
- 2. Use of official marks.** We recognize that Team BC players and staff members may see value in using pictures or videos where we see them in official kits. The intent is not to forbid this usage, but simply to remind you that using such photos, for example as your profile picture, automatically link you to the Association and we therefore ask that you stay conscious of the comments and contents you post. The use of any other official marks should follow copyrights and trademarks regulations.
- 3. Links.** In order to facilitate access to relevant information regarding the Association, all groups of participants of the game are encouraged to link their blogs and other social media interactions, when in accordance to the above guidelines, to the [www.bclacrosse.com](http://www.bclacrosse.com) website and its services.

## **Professional Use Of Social Media**
