

COACH EVALUATOR

How To Become One

Evaluator's Role

A Coach Evaluator's role is to contribute to the development of coaches after they have acquired their NCCP training.

This includes assessment, evaluation, debriefing, and follow-up with coaches trying to achieve Certified status.

What are they?

Coach Evaluators are experts in the observation process and have in-depth knowledge of the outcomes, criteria, and evidences that comprise the evaluation tools that establish NCCP standards for coaches of a particular sport context.

Coach Evaluators act as ambassadors of the NCCP and as a resource to coaches seeking to augment and validate their coaching abilities.

Who needs an Evaluation?

Any Coach Coaching at a National Championship requires an In-Person Evaluation (Mann Cup, Minto Cup, Presidents' Cup, Founders Cup, First Nations, Alumni Cup, TEAM BC).

The In-Person Evaluation is a very important aspect in the Certification process.

Evaluations are to be completed at a regular season practice.
