Medical While Traveling Out Of Province/Country

NOTE: Due to COVID-19, Markel Canada, has withdrawn their interest in providing emergency travel medical insurance across the country. When out of province/country travel is permitted, all Out-of-Province/Country Medical Insurance **MUST** be purchased separately prior to travel

For **out of province/country travel only** – The BC Lacrosse Association **DOES NOT** carry Out-of-Province/Country Medical Insurance within our insurance package for teams whose individuals are **all currently registered members** (athletes, coaches, team personnel, managers, chaperones and officials) traveling out of province/country. A travel permit must be submitted with a list of all people traveling, and as long as the travel permit is approved by the BCLA and respective Directorate/League. Those traveling must also ensure they have BC Medical Coverage (BC MSP) before departing. The same policies apply – athletes must be currently registered and coaches must be currently registered and properly certified. If you have any questions, please contact the BCLA office.

Conditions of Approval of Travel Permit:

1. A team wishing to compete in tournament/exhibition games in another province and/or out of country must first submit this Travel Permit to the British Columbia Lacrosse Association. All information requested on this form of this request must be completed. The Permit must be received by BC Lacrosse Association no later than fourteen (14) days prior to the event.
2. Only teams made up of players and coaches duly registered with the British Columbia Lacrosse Association can obtain a travel permit. A list of the team roster including coaches must accompany this travel permit. Coaches are to be identified by NCCP number and certification level.
3. Teams must have permission from each player's home association president to travel with this team.
4. Teams traveling out of province/country must purchase additional medical insurance for that province/country.

6. Traveling teams must adhere to the rules of the competition in which it is participating.
7. Teams participating in any tournament or exhibition series shall abide by the host's rules in regards to any minor and major suspensions, which may be more or less severe than BCLA suspensions guidelines. Teams must ensure any suspensions in force from their local association are served during the games with game sheets marked accordingly on tournament games covered by this Permit. Any new suspensions received at the tournament shall be carried over and served during subsequent local association / BCLA sanctioned games.
8. Submit a copy of all game sheets to your local commissioner within three (3) days of returning home from the tournament. Failure to do so may result in additional disciplinary action / suspension of the coach(s).
9. Traveling teams shall remain subject to the Operating Policies & Codes of Conduct in so far as disciplinary matters and behavioral conduct are concerned. Teams are representing their local association and the BCLA, therefore, the conduct of the team must be indicative of this responsibility.
