Sunday, June 27, 2021	Minor Box	Level 2	898 3933 3921	9:00AM - 4:00PM	13

The BCLOTSG will be running these sessions for returning Level 1 and Level 2 Referees, who signed up and attended a clinic in 2020 or refereed in 2019. These returning Referees will not be charged a clinic fee. The entry level clinics will not be offered this year.

With the possibility of some games this season, we need Associations to be mindful on your referee selections as the number of clinics are limited. Please consider the levels of referees needed for your Association. Class sizes are limited to 35 participants.

These clinics will be conducted online through the Zoom program, so attendees must have access to a microphone and online camera.

The BCLA will only take registrations directly from the Associations and not individual referees. This means, that all referees must contact their local Association in order to be registered. Registration will be on a first come, first served basis. Any registrant who signs up and does not attend the clinic, may be subject to a registration fee.
