

**TO: Team BC – Male: 17U, 14U, 12U and Female: 17U & 14U Box Lacrosse Program Athletes**

**RE: 2021 Lacrosse Canada Nationals & 2021 Team BC Program Update**

---

Dear Potential Team BC Lacrosse athletes:

You are receiving this email because your athlete has registered with the BCLA to try out for a 2021 Team BC Box Lacrosse Program. Thank you for your interest in Team BC.

The BCLA would like to update you about our 2021 Team BC Box Lacrosse Program. Lacrosse Canada Board of Directors met regarding the 2021 National Championships. **Lacrosse Canada announced the cancellation of all 2021 Minor Box, Men's Field and Founders Cup National Championships.** This was a difficult decision under unprecedented circumstances. This affects all Team BC Box teams.

With this cancellation, Team BC will organize high performance training activities. All Team BC activities may be adjusted due to COVID-19 restrictions. Our goal is to conduct Team BC camps this Summer and continue with Summer/Fall training activities only when it is considered safe by public health and as directed by viaSport BC.

**Provincial Box Tryout Camps:**

- Tryout camp dates and locations will be planned for Summer 2021 (as permitted).
- Please be aware dates and locations may change due to restrictions we cannot anticipate.

**Box Team Development plans:**

- Team BC Box teams of up to 40 athletes per team will be formed for each division. These selected participants will be included in development training plans.
- Team training through Summer/early Fall 2021.
- Development plans are to be determined soon.
- Athlete program fees will be determined once plans are formalized.

**Box Team Competitions:**

- A local or regional Box competition event (Aug 2021) (if travel permitted).

**Camp Registration Fees:**

- Your camp registration fees will be held by the BCLA until it is certain lacrosse activities can occur.
- Registrants wishing to withdraw and receive a refund can do so upon request. For refunds, please e-mail [deb@bclacrosse.com](mailto:deb@bclacrosse.com).

All camps and development plans are dependent on COVID-19 restrictions. We continue to stress that the health and safety for all participants in the BC Lacrosse community is central to all of our decisions around COVID-19. Team BC will communicate information as we learn more.

We look forward to seeing our athletes back playing lacrosse soon. Thank you for your patience and for your interest in the BCLA's Team BC Program.

Regards,

Jeff Gombar  
BCLA Executive Director
